Report of Principal and School Improvement Council

Goals focused on raising the academic rigor and performance of each student, providing a school environment supportive of lifelong learning, and improving understanding and support of our Paideia Model School. ☐

☐

To promote progress in reading, teachers employed the Daily Five literacy structure and CAFÉ reading strategy system. The leveled literacy library and Accelerated Reader program provided individualized reading materials. School-wide writing improvement was realized through the utilization of the Empowering Writer's curriculum. Students participated in the Blowfish and Lady Gamecocks Reading Contests. Students won the "Reading with the Lady Gamecocks" statewide reading competition. Science improvement was realized through the use of the investigative inquiry approach with FOSS curriculum. ☐

☐

The application of the Paideia learning model challenged students to think critically, reason, communicate, and take responsibility for learning. Students interacted with teachers, peers, parents and community resources through project based units of study. Students participated in monthly school-wide Paideia Socratic Seminars centered on character education. Content based Paideia Socratic Seminars accompanied all Paideia Coached Projects. At the end of each nine weeks, students shared their academic portfolios and explained their progress during student-led parent conferences. ☐

☐

Students received additional assistance in reading and math during designated school-wide intervention periods. Three intervention teachers, a teacher for small group tutoring, and the comprehensive after school remediation program, also provided identified students with additional academic assistance.☐

☐

Professional development focused on Paideia training, Common Core reading, and conceptual math instruction. Lead teachers provided training and facilitated the professional learning communities approach to analyze student data and plan instruction. Through the Professional Development School partnership with the University of South Carolina (USC), our teachers, USC faculty, and our on-site USC liaison supervised the internship and practicum classes of future educators. ☐

☐

The PTO and SIC worked with school staff to support community relations and parental involvement. Parents and community members participated in various events: a "First Day Breakfast" for new parents, monthly Paideia Seminars and gallery walks, a book fair, prospective parent meetings, school concerts, a school dance, a spring carnival, a "Welcome to Kindergarten Day", a bingo night, Career Day, and Field Day. Our students benefited from the assistance of many volunteers as well as from business, community, and faith-based partnerships. Our students represented and served the school through student activity programs including Safety Patrol, Student Council, Friendly Helpers, Recess Patrol, Book Buddies, Media Managers, Mustang Chorus, Art Club, Archery Club, and Milers Club.☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	81.3
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Meadowfield Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
