Report of Principal and School Improvement Council

W.S. Sandel Elementary School is the true face of Richland County School District One. Our school embodies the rich and culturally diverse population of the district. Sandel celebrates 602 students with eight different languages. These students are served by our English as a Second Language Program. Our staff is also culturally diverse representing eight different ethnic backgrounds. Professionally, for the past four years we have maintained 100% highly qualified staff with 10 members who are national board certified.

□

In keeping with our mission as a leader in transforming lives through education, we strive to empower all students to achieve their potential and dreams. As we analyzed our PASS results we noted that we continue to show weakness in Math and Science. Our focus will continue to be in these areas as we maintain the success we have had in Literacy.

□

The process used to monitor instructional delivery and student learning includes the Cycle of Continuous Improvement, Data Teams, and Literacy Teams. We utilize district Common Assessment results, MAP and PASS data to determine the instructional needs of the students in grades 3-5. InView, ELDA, ELSA, PAM, CogAT, Dominie and the district Math Assessment are used to determine the instructional needs of students in grades PreK-2. To assist with addressing gaps in the curriculum and to identify students and their skill levels, Response to Intervention is the process used to address the different levels of students' performance. MAP testing and the STAR Inventory and district Common Assessments are the key assessment tools used to monitor students' progress. Results from these assessments are used to determine students' gains in ELA, Math, Social Studies and Science.

□

Our Reading Teacher and Math Interventionists assist with addressing skill gaps in students learning. Other programs designed to assist students in the after-school Comprehensive Remediation Program (CRP), SuccessMaker Lab for grades 1-5, Level Literacy Library, Think Central Math, Starfall, and Accelerated Reading and Math computer assisted programs. These programs provide students with individual levels of practice in the core subject areas. Partnering with the Midlands Reading consortium (MRC), and the University of South Carolina teacher cadets provided one-to-one support to students in K-2 and district funds supports part-time staffing of school day tutors that focuses exclusively on students not meeting standards in Reading and Math.

□

To infuse Math throughout the school we have incorporated several school-wide initiatives that include: "Monday Mental Math Minutes", "Measure Up", school wide Math Work Stations, SuccessMaker Race to Success (4-5), Math Fluency Wednesdays, and our "Math, Science, Health and Technology Day". The programs provide the students with multiple opportunities to be exposed to Math throughout the day. We also celebrate student successes both by individual classes and school wide at the end of each assessment cycle.

□

We have utilized the National Network of Partnership Schools (NNPS) to plan for and increase parent involvement. Partnering with our partners provides the confidence that we will accomplish the school and district's goals to ensure optimum student performance for a promising future.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	69.4
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

William S. Sandel has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
