Report of Principal and School Improvement Council

We believe that Webber Elementary is the finest school in Richland School District One because of our hard working teachers, students and supportive community.

?

?

For the second consecutive year, our students progressed academically by earning both a Gold and a Silver Palmetto Award. Our Silver Award was for the school's progress in closing the Achievement Gap between groups of students. We were awarded the Gold Award for our general overall performance for the first time as a result of our report card rating of an "A" grade for the second year in a row as well as on our 2012-2013 School Report Card. Additionally, as a Title One school, Webber Elementary ranked in the top 5% of schools in South Carolina in student progress, and continued to rank in the top ten in our district for several years now.

?

?

Our school promoted the process learning of the Science Fair by involving the entire school in the projects this year. We also have an increasing number of students being selected for the MEGSSS program and again numerous students selected for the Duke TIP program of high achieving students. Not surprisingly, our students continue to live up to our high expectations for each of them.

?

?

The parents, PTA, SIC, our business partnerships with International Paper, SCE&G Wateree, the robust Webber Alumni Association and the Eastover community continues to be a source of support for the school. We are grateful for the various types of support they provide for our children.

?

?

At Webber Elementary School our students are taught that there is good in giving to others in need. Our United Way campaign earned our school recognition as the highest per-capita contributors of the elementary schools in Richland One with this being our 4th year of exceeding our goal and being the top contributors of all elementary schools. Children do learn by example as well.

?

?

As we continue to celebrate the achievements of our students, we encourage our parents, community and friends to visit us often and share our joy in seeing the smiling faces of young children being taught that they are indeed capable of success and are in the midst of realizing they are on their way to becoming the productive citizens that we see in each and every one of them. It remains our vision and mission.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	75.7
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Webber School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
