Report of Principal and School Improvement Council

The faculty, staff, students, and parents of Burton-Pack Elementary School experienced a year of many successes.☐

☐

Burton-Pack Elementary School is a place where staff and students strive for excellence to achieve optimal academic growth and success. Burton-Pack Elementary has made itself a partner in education in our community and prides itself in nurturing the whole child. ☐

☐

Through research, best practices, targeted professional development, targeted intervention, and SuccessMaker, an adaptive computer based instructional program, our school strives to improve student achievement on a daily basis. In grade level teams and professional learning communities, teachers review all forms of test data and brain storm strategies to achieve greater student gains. Results from assessments and progress monitoring are used to analyze growth, target deficiencies, provide reinforcement, enhance teacher instruction, and student learning. As a result of this work, students were recognized each nine-weeks throughout the year during awards ceremonies and grade level recognition events. In addition, classroom academic incentives were provided to students throughout the year. Our student achievements include Arwa Adly, a USC Regional Science fair winner, and Joshua White, the district's Mr. Fitness.

☐

We graciously accepted the support of business partners, parents, volunteers, and many other stakeholders. The receipt of many grants has allowed our students numerous learning opportunities and innovative experiences. Our receipt of The Nature-Based Inquiry grant led to our partnership with the science department of the University of South Carolina to expand our focus on designing our outdoor area to support hands-on inquiry-based learning in our newly built gazebo. Our 21st Century grant has afforded our students extended day academics Monday through Friday with field experiences designed for the 21st Century learner. We have also been notified by the Education Oversight Committee of our Palmetto Gold or Silver Award for our high performance and exceptional improvement that this award signifies. We have also helped others in our community and beyond. Our students and staff participate in many goodwill and fundraising activities such as March of Dimes, Breast Cancer Walk, Jump Rope for Heart, and Harvest Hope Food Drive. ☐

☐

As we "Continue to Build on a Strong Foundation" in looking to the future, our challenge remains to meet the needs of each student, both academically and socially so that we do our part in preparing tomorrow's leaders to achieve their personal best. Each child is extremely important and deserves the very best the Burton-Pack Family has to offer.☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	55.3
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Burton-Pack Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
