Report of Principal and School Improvement Council

Forest Heights Elementary continued to provide opportunities for academic achievement for students while promoting a positive environment during the 2013-14 school year. The combined efforts of students, staff and community resulted in a Palmetto Gold Award from the SC Department of Education. ☐

☐

Forest Heights Elementary School (FHES) teachers worked diligently to use appropriate instructional strategies to improve learning. Title I supported professional development in the areas of Mathematics and ELA was very beneficial. FHES continued to use the Empowering Writers format to strengthen our students' writing skills. Professional Development on the proper utilization of technology was facilitated by the Instructional Technology Support consultant. ☐

☐

We continued the implementation of the Morning Math Program to foster mathematical thinking in our students. Students worked through appropriate math problems using previously taught strategies. Once students solved the problem, written justification of the answer had to be given. Approaching math in such a manner helped to build student perseverance, confidence and conscientiousness. Our reading teachers utilized the Fountas and Pinell Leveled Literacy Intervention program to help raise reading levels. ☐

☐

Title I support was also used to sponsor curriculum sessions for parents, grandparents and other stakeholders. Events such as Books and Breakfast, Books and Supper, Math Night, Dinner for Dads and Moms Love Literacy allowed staff to present instructional strategies to the parents, practice the strategy with the parent before having the student join the parent to work on the topic at hand. This format allowed parents to become familiar with the task, build knowledge of the skill and utilize the skill with the student in a supportive environment. ☐

☐

Forest Heights Elementary was proud to open our new outdoor classroom this school year. The outdoor classroom was a result of our participation in the Nature Based Inquiry Grant via the University of South Carolina. Community businesses and university students worked together to help complete our nature trail. ☐

☐

It is our goal to continue to collaborate with the community to create the best possible educational environment. We appreciate the support that we have received from students, parents and stakeholders. ☐

☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	70.4
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Forest Heights Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
