Report of Principal and School Improvement Council

Brockman Elementary is a Montessori School of Choice that receives students from three attendance zones in Richland County School District One. A lottery process is used to randomly select students. The basic tenet of a Montessori education is that a child learns best in an enriched and supportive environment, where exploration, discovery and creative thinking are the norm, all under the guidance and encouragement of a trained, caring teacher.

□

The goal of Brockman Elementary is to help all students reach their fullest potential in all areas of life. The qualities of independence, self-motivation, creativity, leadership and cooperation are foundational to the program. The curriculum and the environment empower children, ignite their creativity and support them on their way to building a strong sense of self. Learning is personal, enjoyable and self-fulfilling. The development of social skills, scaffolding for emotional health, a focus on physical health, all in support of academic achievement, are evident across the curriculum. In 2013, the school received national recognition by the Alliance for a Healthier Generation, as Brockman was chosen as a national 2013 Bronze Award Winner.

□

Brockman continues a tradition of academic excellence receiving Palmetto Gold recognition and meeting all of the criteria for Adequate Yearly Progress. All staff members are highly qualified and all classroom teachers and some instructional assistants are Montessori endorsed. Students continue to excel academically, exceeding student achievement goals in writing, ELA, math, science and social studies. Literacy continues to be a focus at Brockman. Reading and writing are integrated across the curriculum.

□

Brockman's related arts program (including PE, music, art, dance and drama), wellness initiatives, and service projects embrace and support the education of the whole child. Additional after-school fine arts programming provides opportunities for students to further enhance and expand their talents. An after school walking/running club promotes physical activity and a healthy lifestyle. Over three-fourths of Brockman's students participate in after school activities. Students can also receive additional support in the school's BEARS Aftercare program. Activities provided include individual and small group tutoring, science, technology, art, recycling, and cooking.

□

This year, Brockman's School Improvement Council and PTO worked to help the school to secure district and community support for student lockers. They are also working tirelessly to support improvements in the school's upper elementary playground area as well the installation of a school outdoor amphitheater. Both groups are also working with the school to plan next year's fifteenth anniversary events as the school celebrates fifteen years as a Montessori school.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	100
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Brockman Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
