Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of St. Stephen Elementary School says that “We will engage and empower our students through the use of the seven habits to create an environment for all to grow and succeed” We are proud to have received an “A” on our latest school report card based upon student achievement in 2011–2012.We are the first school in Berkeley County to implement “The Leader in Me” model based on Stephen Covey’s “The 7 Habits of Highly Effective People,” in which all staff have been trained. We offered “The 7 Habits of Highly Effective Families” training to parents and community members. We hosted our 2nd Leadership Day on April 18, 2013. Educators and business people from across the state and other states came to learn from us and from our children about our leadership model. Our vision clearly states, “Enter to Learn, Depart to Lead.” We believe that all students can learn and be a leader. Beginning with our 3-year-old preschool students, all SSE students can speak the language of the habits as evidenced by using them in their day-to-day activities at school and at home. You find SSE students taking on roles and responsibilities that you typically see classroom teachers do, such as musicians, art leaders, photographers, cafeteria assistants, safety patrols, ambassadors, guidance assistants, behavior monitors, technology leaders, restroom monitors, etc.

We believe in positive interactions with students, staff, parents and community members and have worked hard to create a climate that supports that belief. Students are recognized on a regular basis for positive choices, attendance, improved grades, outstanding grades and display of quality character through the 7 Habits. Though we are proud of the successes we have experienced this year, we look forward to greater accomplishments in years to come.

Our challenges include having 100% of our students scoring at or above benchmark in all subjects. We will address this by continuing to implement the Common Core State Standards, providing interventions to struggling students, continued implementation of an extended day program for first through fifth grades; differentiating instruction, using technology, and providing our staff with the training and materials they need to succeed.

It is our desire at SSE to inspire greatness in each student, one child at a time!

Dr. Elaine Norton, Principal

Mr. John Rivers, SIC Chairman
