REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Northside Elementary continues to work with all of our students, parents and stakeholders to provide the best education possible for all of our students, allowing them to experience success. Our school earned an Average rating on the absolute rating for the state report card an an At Risk rating for growth. We continue to work with our disabled population and our free and reduced population to increase their overall growth in all areas. We continued to provide the Inclusion Model for our students with disabilities in grades three through five. These students are challenged with grade level expectations to meet grade level standards. We continue to see growth for these students in their MAP scores.

Technology continues to be an important initiative and challenge for us to keep our students on the cutting edge. We are working toward adding more hands on technology for our students in their classrooms. In addition to SMART Boards in all classrooms and Senteos, hand held response devices, our goal is to add tablets for our students.

This year we had a full time reading interventionist who worked with our at risk students in all grades, focusing on first and second graders. Students who needed math intervention were served in our computer lab and through a part time interventionist. Our teachers used differentiated instruction with flexible, small groups to meet students’ needs in the classroom. In addition, students used math and science manipulatives to provide hands-on learning. Students also utilized the science lab for explorations.

Northside was fortunate to have the services of a full time coach/instructional facilitator, who provided support and on-site professional development for our staff. Our coach also managed and distributed our teaching resources and provided assessments for progress monitoring. Staff development was provided to keep our staff abreast of current research and Best Practices. New practices were implemented in classrooms as a result of these opportunities.

We celebrated our students’ progress and successes through school-wide displays, monthly recognition, data walls and special programs and recognition ceremonies. PBIS continued to be an important part of our daily and monthly efforts. Students were given incentives and earned rewards for their positive behavior throughout the school year. We held a special PASS Recognition Ceremony during one of our PTO programs. Perfect Attendance and Honor Roll were celebrated monthly and at PTO meetings. The driving force in all we do is to motivate our students and provide them with an atmosphere of high expectations and excellence where they can achieve their goals.
