Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The ultimate goal of the Merrywood Elementary family is to leave a lasting impression that inspires, encourages, and even transpires its students. Our mission to “educate students through challenging learning opportunities and provide the LIFESKILLS for responsible and caring citizenship” enhances our motto, “One for All and All for One.”

In May Merrywood received the Upstate Diversity Leadership Award for 2013. This award known as the William “Bill” T. Wylie VALUED Lives Award for School Excellence in Diversity is given to one K-12 school in the upstate. The Diversity Award in combination with our Red Carpet and Palmetto Silver Awards is evidence that our faculty and staff along with caring and responsible parents, strive to meet the individual needs of all of our students. Measurement of Academic Progress (MAP) Data disaggregation, collaborative professional learning communities, engaging lesson planning, constant and immediate remediation or acceleration, and the use of technology are vital tools used to help meet these individual needs. Students also have an opportunity to excel academically through opportunities such as Brain Boosters, GATAS, Smart board activities, small group instruction in math and reading, Science Fair, Accelerated Math and Odyssey Computer programming.

Merrywood’s implementation of the Lifelong Guidelines and LIFESKILLS character education program developed by the Susan Kovalik Institute has proven to be successful in decreasing the number of disruptive off-task student behaviors that interfere with the development of a positive classroom learning environment. This community building program based on eighteen basic character traits promotes a strong family atmosphere where all students and staff members are respected and appreciated. The LIFESKILLS program is implemented daily through classroom community meetings, our WMER news program, and in all academic and fine arts areas.

We are proud of the many opportunities students have at Merrywood Elementary School. These opportunities include service learning projects such as United Way, Relay for Life, March of Dimes, Recycling, Student Council, and a canned food drive for the Salvation Army, to name a few. Students also have an opportunity to participate in family nights, Career Day, Kangaroo Math Club, Student Council, Musketeer Mailing Club, and the WMER news show.

As you can see, Merrywood Elementary is a great place to work and learn. It is through the combined efforts of our capable and eager students, dedicated teachers and support staff, and committed and involved parents that students are given numerous opportunities to learn and grow as readers, writers, scientists, historians, and mathematicians. It is very evident to the Greenwood community and beyond that the Merrywood faculty, staff, parents, and students are “One for All and All for One” in our efforts towards continuous improvement.

Sheree Hill, School Improvement Council

Debra K. Green, Principal
