| ESEA composite index score | 28.6 | Up from 23.7 | 69.4 | 85.7 |

* Length of contract = 185+ days.

**Prior year audited financial data available.

EVALUATION RESULTS

| | Teachers | Students* | Parents* |
|--|----------|-----------|----------|
| Number of surveys returned | 28 | 95 | 44 |
| Percent satisfied with learning environment | 75.0% | 74.7% | 70.5% |
| Percent satisfied with social and physical environment | 85.7% | 73.4% | 75.0% |
| Percent satisfied with school-home relations | 81.5% | 75.0% | 62.2% |

*Only students at the highest elementary school grade level at this school and their parents were included.

Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

During the 2013-2014 school year, Bishopville Primary compiled, monitored and analyzed and utilized data to determine next steps. Data walls were used regularly to chart student growth. Individual Learning Plans were designed using MAP data and student and parent input. The Individual Learning Plans were revised and adjusted quarterly to meet the changing needs of each student. Data notebooks were maintained in every classroom and data sheets were submitted to the administration to monitor student mastery, attendance and discipline updates.

Classroom environments were synergized by research-based best practices designed to yield high student engagement. Instructional protocols were introduced district wide and school-wide curriculum based rituals were implemented into daily routines. Among them, the principal's word for the day and independent reading supported by teacher guided reading conferences. The district hosted events to give unique opportunities for students to apply mastery of content areas across the curriculum. Some opportunities that Bishopville Primary participated in were the Math Challenge, the Young Author's Tea and the Spelling Bee.

The four year old and five year old Kindergarten continued to use the Success for All's full-day curriculum. Over 80% of the 4-year old and 5-year old Kindergarten students assessed showed mastery in the areas of numeration and letter sound and sight recognition. In the 2013-2014, students showed major growth in third grade as reported by MAP. Over 70% of students in the third grade grew ten points or higher from the fall administration to spring administration. Saturday School was offered district wide in preparation for PASS.

The Save the Children's program, continued for a fourth year. The after-school component focused highly this year on math enrichment and used the Study Island Program to offer technology assisted individualized intervention to struggling learners in ELA and Math.

Our teachers were trained on the Cycle for Effective Instruction, TAP Rubric, Academic Feedback, Effective Teacher Commands, Mandatory Reporting, Technology Infusion, Teacher University, Common Core Implementation, Parent Conferencing Using Individualized Learning Plans, Data Use that Differentiates and Drives Practice. Bishopville Primary expanded our Parent University, by starting a Grandparents University. Teachers enrolled in and successfully completed graduate courses in Classroom Management and Math Instructional Practice through a partnership with Francis Marion University.
