REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Welcome to Annie Burnside Elementary....Home of the BEES, where we Believe, Encourage, Engage, and Support every student, everyday! During the 2013-2014 school year, our parents, students, faculty, and staff were dedicated to growing and learning together. At the beginning of the year, the new administration, faculty and staff shared the vision of creating a family friendly, positive, and spirited school environment. In addition to establishing our core beliefs about teaching and learning, we focused on building positive relationships with our entire school community. We set high expectations for student behavior and continued to encourage our students to pursue excellence by implementing our newly adopted Attitude, Behavior, and Character (ABC) Award celebrations and Brag Tag ceremonies. We also restructured our Positive Behavioral Interventions and Supports (PBIS) program to include recognition of students who always adhere to our Burnside expectations to: Be Responsible, Be Respectful, and Be Safe. Our school-wide initiatives were supported by our many individual volunteers, business partners, and church affiliations. Parents, students, faculty and staff were all motivated to perform at their best!

Throughout this school year, we also emphasized teacher and parent leadership through goal-oriented committees and a diligent Parent Teacher Organization (PTO). Many opportunities were provided for families to participate in school programs and our family involvement increased with a record number of families attending our Back to School Night, PTO Fall Festival, and Family Literacy Night!

This year, our Odyssey of the Mind Team won the State Championship, we were honored with several Visual Literacy Awards, we exceeded our goals in raising money for our many service-learning projects, and the Richland School District One Elementary Volunteer of the Year is our very own SIC Chairperson, Lacey Delbridge!

We are proud that in spite of our many challenges, to include an increasingly transient student population, we have remained committed to our mission to encourage, engage and support each student to achieve his or her maximum level of intellectual and social development within a safe, nurturing environment. Our goals for the future include maintaining a positive school climate, consistently setting high expectations in academics and behavior, and enhancing our classroom instruction to include more student-centered learning. It is our intention for each one of our students to leave Burnside Elementary equipped with critical thinking skills and a love of learning. We believe that, by working collaboratively, we will continue to achieve greatness!

Dr. Felicia Richardson, Principal
Delbridge, SIC Chairperson
