Report of Principal and School

Mid-Carolina High School is a school with a proud past and a promising future. MCHS continued its long-standing tradition of excellence during the 2013-2014 school year.

The focus for school improvement has been, and will continue to be, student achievement. We were very pleased to see the number of students challenging themselves by taking Advanced Placement courses with even more students taking advantage of this opportunity in the 2013-14 school year than the previous school year. Thirty percent of our graduating class qualified for the LIFE scholarship at a two- or four-year institution, and these graduates earned a total of \$1,535,728 in scholarships. Student achievement was also present in MCHS’s academic extra-curricular activities. The Junior and Senior Beta Clubs had strong showings with students receiving several individual recognitions at their respective state conventions. The MCHS Student Council was honored as a Gold Honor Council, won a School Spirit Award, one student was inducted into the Terry McCoy Leadership Hall of fame, and an advisor received the District 6 Advisor Service Recognition Award.

MCHS is known for its strong tradition in athletics and fine arts programs. This year, almost every athletic team advanced to the state playoffs, and student athletes were chosen to participate in the North-South All Star game in baseball. Our Varsity Girls Tennis team were AA Upper-state Champs, and AA State Runner-ups. Our cheerleaders competed for a state title and placed first runner-up in the class AA State Competitive Cheerleading Championship. For the ninth year in a row, our archery team placed first in the state competition and qualified to compete at the national level in Kentucky.

The band competed in the state marching competition and once again earned a Superior Rating. Our chorus students competed in many state activities, including the USC, Furman, Columbia College and Region Honor Choirs and All-State Chorus. Our art students also had an extraordinary year, with one student being selected to attend the Residential Program at the Governor’s School for the Arts and Humanities for visual art.

We will continue to strive toward engaging our students and reaching for the stars. It is important that we continue to develop strategies that will improve student achievement and use rigorous assessments tied to state standards. We are most proud of the role that our school plays in the community and we appreciate the support we receive from parents and community members. We are also blessed with a dedicated faculty and staff, and through their diligent efforts, they continue to develop as leaders in our profession and foster improved student achievement at MCHS.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	91.1
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Mid Carolina High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
