Report of Principal and School

As a winner of SC Palmetto Gold and Silver Award, LCCPA utilizes a research-based artistic model in conjunction with the academic curriculum to address the needs of the whole child. The school provides strong character development lessons for students and their families through our Family University Series (FUS). Through FUS we offer parenting classes to help parents learn how to help their children with academic needs and also social development. Example includes our Annual Reading and Math Parent Conference and our Parent Student Northeastern and Southeastern College Tours. We also provide students with standardized lessons in core curriculum courses such as math, science, social studies, and English using the arts to motivate students to complete the assignments. Because we cater to the whole child, each student has an opportunity to get tutoring during our extended school day.

□

Additionally, students at LCCPA also participate in a variety of Artistic classes like: Band, Chorus, Dance, and Theatre and Visual Arts. To this end, each student actively prepares for a minimum of two of four major artistic performances. These artistic preparations allow students to utilize a variety of academic skills that correlate to their artistic classes. These academically supportive assignments in artistic classes include

□

reading scripts in theatre arts; reading or singing lyrics that use specific rhythms and patterns in English or a foreign language, and learning how to use geometry, geography skills and fractions that relate to math (1/2 note, quarter notes etc.), social studies. Some other accomplishments and opportunities include:

□

- Honors Classes- Advancement Via Individual Determination (A.V.I.D.) Program)

□

- Opportunities to participate in all sports

□

- Band, Chorus, Dance, Theatre, and Visual Arts Classes Performances

□

- 2013 National History Day State Champions

□

- 2nd Place Sandhills Regional Science Fair Winners

□

At LCCPA we realize that some students need additional supports in the form of more time on tasks. These supports were incorporated in the extended school day/year program which begins at 8:00AM and ends at 4PM and also in the summer. Thus, students receive additional supports in the form of small group individualized tutoring and intervention classes. These built-in classes take place at the end of the day to assist students by giving teachers additional time to review strategies and skills that may take longer for students to learn, or for test prep practice. The advance students use this time to extend their knowledge and practice in a specific student selected artistic course.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	64.7
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Lake City College Prep Academy has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
