REPORT OF PRINCIPAL AND SCHOOL
IMPROVEMENT COUNCIL

Pendleton High School has experienced another outstanding year, both academically and with extracurricular participation. We appreciate all of the stakeholders and their contributions to make our school a great place for learning to occur. We believe that a total education takes a committed group of individuals working together to accomplish our goals and carry out the vision and mission of advancing our students and enabling them to reach their potential. [?]

This year the staff has focused extensively on grading and assessment, and the results have been outstanding. The school received an Excellent rating on the South Carolina report card and a Palmetto Gold award in both Overall Performance and Closing the Achievement Gap. Those results would not be possible without the hard work of both our staff and students.[?]

We are proud that our students continue to be academically successful. The class of 2014 consisted of 185 graduates. Nine graduates qualified for the prestigious Palmetto Fellows Scholarship, and 116 qualified for Life Scholarships. Additionally, this spring we administered the ACT to all of our 11th grade students and tested over 100 students in the Work Keys assessment. Pendleton High School is committed to making sure that our students are college and career ready. [?]

We also strive for success in our athletic and co-curricular programs. The Pendleton High JROTC earned the school’s first ever state level drill team competition. The group was designated a Distinguished Unit by the Air Force. The Pride of Pendleton Marching Band won the State 2A Marching Band Championship this past fall. Our girls’ track team finished second in the state this past spring, and many other teams made deep runs in the playoffs throughout the year. Once again, our CATE competition teams performed at a very high level while FFA continued its run of success with multiple state championships. Skills USA fostered a state champion in computer science, and HOSA, FFA, and Skills USA all earned the right to compete at the national level this past year. [?]

We will continue striving to make Pendleton High a family-friendly school. Upon graduation, we want all students to be prepared for their next phase of life; therefore, the focus of our efforts will continue to be on the academic, social, and extra-curricular development of our students. Thank you for your support, and we are looking forward to another great year together. [?]
