REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Andrews High is a comprehensive High School That Works and Title I facility that serves a widespread, rural geographic area. AHS's schedule is flexible and affords students an opportunity to earn up to eight Carnegie units per year while focusing on a broad-based curriculum with opportunities for exploring careers and for earning college credit. To build better relationships with our students, Andrews High School employs the Capturing Kids' Hearts initiative, which affords the staff and students an opportunity to discuss and implement a social contract in each classroom setting; it also allows teachers to teach and reinforce character development traits.

Throughout the year, Andrews High School provides many opportunities to foster better school and community relations: orientation for freshmen and new students, quarterly conferences for freshmen academy students, Open House, School Improvement Council, Parent Teacher Student Association, parent conferences and report card pick-up, and outreach to community resource persons during college and career fairs. The school also invites the public to its annual musical and theatrical performances among numerous academic and athletic events.

Andrews High School's prides itself on its' mission: To prepare our diverse student population with the skills necessary to succeed in a complex society by encouraging family involvement, using creative instructional practices, and providing experiences that increase the students' opportunities for success. Working together, we can make a difference in the lives of every student we encounter.
