Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL
IMPROVEMENT COUNCIL

The mission of Emerald High School is to develop in all students the skills, the knowledge, and the responsibility to be productive citizens and lifelong learners. An important factor in such an effort is the relationship fostered between Emerald High School faculty/staff and students through “Faculty Five.” All staff members mentor five students who are at risk by providing them academic as well as personal support and encouragement. Moreover, Emerald High School enhances its positive culture through PBIS (Positive Behavior Interventions and Supports), which rewards students for their academic success and good decisions. ☐

In addition, Emerald High School is augmenting its instructional program with its participation in the New Carolina Transform SC Initiative, a business- led coalition of educational stakeholders actively engaged in transforming public education. Consequently, we are improving the instructional process by more closely aligning it with real-world, technology-based lessons and by making the path through high school a more fluid, student-centered experience. As part of the paradigm shift, Emerald High School is utilizing project-based learning and the STEM program as a major part of its curriculum; students are given authentic choices for demonstrating their understanding and mastery of academic material.☐

We are driven by our successes; however, we continually strive to improve the academic environment at Emerald High School. Our commitment is to produce students who are college and career ready. We are a transformational school in a transformational district.☐

This year’s 192 graduates in the class of 2014 had a very successful year receiving reported scholarships and grants that totaled in excess of 2.4 million dollars. We had 9 Palmetto Fellows; 7 Outstanding Air Force JROTC graduates; 49 National Honor graduates; 14 Technical Honor Society graduates; 44 BETA Club members; and numerous Life and Hope scholarship recipients.☐

Brad Nickles, Principal☐
Holley Coyle, SIC Chairperson
