REPORT OF PRINCIPAL AND SCHOOL
IMPROVEMENT COUNCIL

Newberry High School completed the final year of the School Improvement Grant. We continued our advisor/advisee period (DOG Time) each day for students in grades 10-12 and continued our Freshman Focus period for students in grade 9. During this period students were offered academic assistance, character development and sustained silent reading time. We continued our work with the Leadership and Learn Center. We were continued our work with data teams that were centered around teachers of common subjects. This structure allowed teachers to plan and write common assessments. We also continued our work with instructional power strategies and the five steps to balancing our math instruction. Our Instructional Technology Coach continued our “In & 10” Technology Sessions to help increase the integration of technology into the classroom. Teachers were also given the opportunity to attend professional development in our district that related to both common core standards and classroom technology integration.

NHS had another successful year with academics, arts, athletics, and community activities. Many of our students qualify for the SC Life Scholarship and awarded \$1,611,088 in scholarships to the Class of 2014. We had a student to win a state wrestling titles. We clinched the AA Upper State Boys Basketball title went on to win the AA State Boys Basketball Championship. Our students continued their work with Relay for Life, Pennies for Patients, Pink Out for Cancer Awareness, Red Cross, and Santa’s for Seniors.

We are proud of the efforts of our students, faculty/staff, and our parents. We will continue to work together to pursue the standards of excellence at NHS!
