REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Mid-Carolina High School is a school with a proud past and a promising future. MCHS continued its long-standing tradition of excellence during the 2013-2014 school year. The focus for school improvement has been, and will continue to be, student achievement. We were very pleased to see the number of students challenging themselves by taking Advanced Placement courses with even more students taking advantage of this opportunity in the 2013-14 school year than the previous school year. Thirty percent of our graduating class qualified for the LIFE scholarship at a two- or four-year institution, and these graduates earned a total of \$1,535,728 in scholarships. Student achievement was also present in MCHS's academic extra-curricular activities. The Junior and Senior Beta Clubs had strong showings with students receiving several individual recognitions at their respective state conventions. The MCHS Student Council was honored as a Gold Honor Council, won a School Spirit Award, one student was inducted into the Terry McCoy Leadership Hall of fame, and an advisor received the District 6 Advisor Service Recognition Award.

MCHS is known for its strong tradition in athletics and fine arts programs. This year, almost every athletic team advanced to the state playoffs, and student athletes were chosen to participate in the North-South All Star game in baseball. Our Varsity Girls Tennis team were AA Upper-state Champs, and AA State Runner-ups. Our cheerleaders competed for a state title and placed first runner-up in the class AA State Competitive Cheerleading Championship. For the ninth year in a row, our archery team placed first in the state competition and qualified to compete at the national level in Kentucky.

The band competed in the state marching competition and once again earned a Superior Rating. Our chorus students competed in many state activities, including the USC, Furman, Columbia College and Region Honor Choirs and All-State Chorus. Our art students also had an extraordinary year, with one student being selected to attend the Residential Program at the Governor's School for the Arts and Humanities for visual art. We will continue to strive toward engaging our students and reaching for the stars. It is important that we continue to develop strategies that will improve student achievement and use rigorous assessments tied to state standards. We are most proud of the role that our school plays in the community and we appreciate the support we receive from parents and community members. We are also blessed with a dedicated faculty and staff, and through their diligent efforts, they continue to develop as leaders in our profession and foster improved student achievement at MCHS.

Chris Roberts, School Improvement Council Chair
