**Report of Principal and School Improvement Council**

The 2013-14 school year has been especially successful. In all areas – arts, academics, and athletics – we have worked hard to excel and achieve the best possible results. Excellence is always our goal.

Academically, MHS students and teachers have worked extremely hard to teach and master standards and participate in productive learning and growth experiences. Our seniors continue to be competitive with expected graduates from other schools, as evidenced by the large number of scholarships and recognitions, both already received and anticipated. Such recognitions are not unique to our senior class, but rather are noticed through all of the 7-12 classifications. Ancillary organizations, such as FBLA and FFA, further use academics as the base for their programs and achieve similar successes in state and national competitions. In short, our academic programs are extremely competitive with other schools, and in many ways exceed them.

The music department continues to be a perfect example of striving for excellence. The “Spirit” marching band continues to grow into one of the finest band programs in the area . Other ensembles achieved similar accolades, with many students being named to honors ensembles in both the region and the state. Coupled with successes in the art program, which produced several contest winners in county and regional competitions, it is fair to say that the arts programs are a great benefit to our school.

Lastly, our athletic programs also have achieved great success. Several programs have had successful seasons which included qualifying for post-season play and advancement therein. Both individually and collectively, our student-athletes have demonstrated hard work, determination, and sportsmanship (the most important of these elements) as they have represented our school on the athletic fields and courts. Overall, this has been a very successful outgrowth of our classroom experience.

Unquestionably, McBee High is one of the finest schools in Chesterfield County, in the Pee Dee region, and in the state of South Carolina. Most assuredly, the accomplishments mentioned above are indicative of dedicated teachers and coaches reaching out to touch the lives of young people. It is further indicative of students and parents joining teachers in this effort as the most important component of success. And, most importantly, this shows that we are meeting our mission “to prepare students to meet goals for future education and employment, to become contributing members of their diverse communities, and to develop lifelong habits of learning and self-discipline.”

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>73.9</b>
<b>Overall Grade Conversion</b>	<b>C</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

McBee High has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
