Report of Principal and School Improvement Council

When the 2013-2014 school year began, Lexington Middle School staff members received a keychain designed by one of our students. These keychains symbolized the unique gifts our students possess and reminded us to unlock the potential in every child. Throughout the year, our community focused on the individual strengths and talents of our diverse student body. In academics, the arts, athletics and school culture, we have much to celebrate.☐

☐

Personalization in learning stems from meaningful relationships between teachers and students. Using a combination of block and traditional scheduling, we strategically organized our school days to maximize every minute of the day. The longer blocks of instruction allowed students to explore, research and direct their own learning, while building strong bonds among teams of teachers and students. Shorter class periods and protected intervention time ensured that all students had the support they needed to succeed.☐

☐

Personalizing learning helped us target challenges. We will not yield in our efforts to minimize existing gaps in achievement between students. Through personalized approaches, we will reduce these gaps, doing whatever it takes with each individual child.☐

☐

We continued a strong tradition of community service. This year, our students surpassed \$20,000 in fundraising for Relay For Life, while also lending support to numerous philanthropic programs. We are proud that our students recognize their role in giving back to their community, locally and globally. We have and will continue to confront the challenge to increase parental involvement in order to bolster support for academic achievement.☐

☐

We are also proud to once again be recognized as a Palmetto Gold school and to maintain our rating of “Excellent” by the state. The number of LMS students identified as Palmetto Junior Scholars increased to 53 and eight of our students were Duke Tip Award state finalists. Our band, orchestra and chorus earned straight “Superiors” at every festival and competition they attended. The LMS Chorus earned the title “Grand Champions” at the Orlandofest music festival. Students participated in honors chorus, chamber orchestra, a digital student newspaper, robotics, gaming, spirit club, FCA and global artisans clubs. Our volleyball team remained undefeated, reclaiming the league championship. In our first archery season, an LMS student placed third in the nation. We continued our Girls on the Run program and started a Boys Run Hard Club, winning top spots for our age groups at the final race.☐

☐

At LMS, success is measured one student at a time. Our approaches are data driven, research based and tailored to address specific goals for each learner. We are proud of our tradition of high achievement, and we celebrate the victories of each child. Personalized learning drives our efforts to open doors for our students. Watching our students cross through these doors is our reward.☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	88.8
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Lexington Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
