Report of Principal and School Improvement Council

Busbee Creative Arts Academy was acknowledged as Title I Reward School from the South Carolina Department of Education for the 2013-2014 school year. Busbee received this award because it is one of the Top 40 highest performing Title I School in the State of South Carolina. This is the first time Busbee has earned this award from the Department of the Education.

We spent our professional development time this year studying highly effective common core strategies. This in-depth study allowed our teachers to view effective strategies, become practitioners of those strategies, and then share their results with their team members. The teachers also conducted Peer Instructional Rounds throughout the year to learn how their colleagues are implementing the common core strategies in the classroom

In order to meet the instructional needs of our students, we provide opportunities for students to receive academic support through a free After-School Tutoring program funded by Title One. In addition, we provide academic support through Bulldog Breakout Sessions, a program embedded within the school day twice a week, that allow students receive small group remediation and enrichment. Both academic support initiatives are student- centered to maximize student academic achievement.

Busbee Creative Arts Academy strives to develop new ways to improve our students' academic progress and preparation for high school. We will continue to use data from formative assessments, PASS Testing, End of Course Tests, parent surveys, student perception surveys, and the feedback from AdvancED to drive our instructional focus.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: http://ed.sc.gov/data/esea/ or request this information from your child's district or school.

Overall Weighted Points Total	**71.4**
Overall Grade Conversion	**C**

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Peformance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
