Report of Principal and School Improvement Council

Campobello Gramling School completed the 2013-2014 school year with many accomplishments. Academically, nine eighth grade students were recognized as South Carolina Junior Scholars, and two seventh grade students were named Duke Tip Scholars. Two students were selected to attend the Scholars Academy program at the University of South Carolina Upstate for the 2014-2015 school year. In addition, one hundred percent of the eighth grade Algebra I class passed the End of Course test. Campobello Gramling School received the Palmetto GOLD award for absolute PASS scores during the 2013-2014 school year. Campobello Gramling School was named a 2014 South Carolina School to Watch. ☐

☐

Our academic arts classes continue to offer award-winning programs. The seventh and eighth grade band participated in the solo and ensemble festival, receiving 17 superior and 4 excellent ratings. The band also participated in the SC Band Director's Association Concert Festival receiving a good rating. The CGS middle school chorus participated in the Carowinds Choral Festival and received an excellent rating. Chorus also participated in the Spartanburg County choral festival and earned a superior rating. In their first appearance, the CGS orchestra scored a superior rating in The Carolina Music Educators Association Concert Festival. Our art program continues to earn awards in all grades on national, state, and local levels. ☐

☐

The faculty and staff of Campobello Gramling School seek to support charitable causes and encourage our students to do the same. This year, CGS raised money for March of Dimes (\$1,500) and Relay for Life (\$7,000), and collected more than 4,600 canned goods for those in need. In total, the faculty, staff and students of CGS raised over \$8,500 for charities. This could not have been done without the generous support of our community. ☐

☐

Throughout the year, teachers participated in a variety of staff development opportunities including study groups, literacy training, vertical articulation and the implementation of the college and career readiness standards. Also, our elementary faculty participated in a district-wide book study and staff development focusing on strategies to support math standards. An area of special emphasis this year is a continued effort to implement our school (SACS) goals, which include improving school communication, improving student achievement for all students, and enhancing staff development to improve instructional effectiveness. We meet monthly to discuss, revise, design, and implement strategies to address these goals. It is our continued commitment to do so for the success of our students and Campobello Gramling School. ☐

☐

Sincerely, ☐

☐

John M. Hodge, Principal ☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	93.4
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Campobello Gramling School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
