REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The Riverside Middle School family had an outstanding school year as we prepared our students for the world. In the midst of our sports teams, choral and band programs bringing home the highest honors and our first year archery team winning a state championship, we remained focused on our number one goal, student learning. Take a moment to celebrate some of our successes.

Riverside Middle was one of 18 middle schools in the state to receive Excellent –Excellent SC Report Card Ratings for the past three years placing the school in the top 6% academically of all middle schools in the state. Additionally, Riverside was awarded a Gold Palmetto Award for academic achievement and a Silver Award for closing the achievement gap as part of the SC Palmetto Gold and Silver Awards program. And in May, we received a 2014 Bronze National Recognition Award from the Alliance for a Healthier Generation for our efforts in creating a healthier school environment making us one of less than 300 schools across the country to receive this important recognition. Additionally, we were recognized by the SC-ASCD for being a Whole School Award recipient; only 1 of 4 schools in the state to receive this recognition and the only school in the state in the “healthy” category.

Our morning assembly program continues to bring our students, staff and community together on a daily basis. Announcements, the pledge of allegiance, a moment of silence, our character education program and various school, student and staff recognitions are shared to set the tone for an excellent day of learning. We attribute our morning assembly as a major part of the success of our school. We have observed the lowest number of discipline issues recorded as our students are thriving in the classroom with record number of students on the honor roll and meeting academic standards.

Continuing a tradition of excellence is our vision. It requires connecting with each student on a social, academic and emotional level. And most significantly, teaching students to appreciate the importance of their learning and their life.
