REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Building on the district's belief that all students can learn when immersed in a highly engaged environment, Kelly Mill Middle strives to enhance the learning environment for all students. We are very proud of our students' accomplishments this year. Kelly Mill had 22 Junior Scholars, as well as award-winning music programs. We also have competitive teams for Math Counts, Step Team, and Quiz Whiz. Our parent and community volunteers play a major role in the success of our school. They have contributed over 1600 hours of their time, and are steadfast in helping make our organization more dynamic and effective. The staff at Kelly Mill strives to provide our students with innovative, challenging work that inspires and encourages them to inquire about the world around them. The AVID Program accelerates student-learning and encourages inquiry-based teaching methods. Kelly Mill is one of only two National AVID Demonstration sites in South Carolina. We also use technology as an integral component of instruction. We offer one-to-one computing for all students. Each classroom has a Promethean Board, and all students have access to IPADs, TI-Inspire calculators, and Chromebooks to ignite their curiosity. Honors classes are available in all four core content areas: English, Math, Science, and Social Studies, and we have a business and economics magnet school, Kelly Mill INC., which is a competitive program for the academically gifted student. This past year INC. students were back to back champions in the SC Finance Challenge, a competition put on by the SC Centers for Economics Education. Educators at Kelly Mill are provided with resources and professional development to enhance their ability to promote student success.

The Center for Achievement, located on the campus of Kelly Mill Middle School, was established August 2005. It is an elementary magnet school designed for students with learning differences. The center consists of grades 2nd through 5th. There are 16 students per class, with a highly qualified teacher and an instructional assistant in the classroom. The school identifies students' strengths and provides strategies for their weaknesses. The students have shown growth and success on the nationally normed test administered, and is the proud recipient of the Palmetto Silver Award for the 2013-2014 school year.

Jeff Temoney, Principal

Kevin Donalson, Sr., SIC Chair
