Report of Principal and School Improvement Council

Dear Parents/Guardians and Supporters of Sangaree Elementary School,

This year to improve student learning we focused on teacher training and early childhood instruction. Sangaree students do not take the PASS test so we are concentrating on developing fundamental skills that will be necessary for success in later grades.

The School Renewal Plan focuses on student learning, staff development and school climate. A new plan was developed in 2011, revised in 2012 and 2013 to include funds from Title I. The plan includes an after tutoring program for students in need of additional assistance and an in-school tutoring for students that are at risk of falling. We use data from multiple sources to assist teachers in monitoring student progress and to adjust instruction. The plan provides for professional development in teaching the common core standards and instructional strategies. A Curriculum Coach works with teachers on developing teaching strategies.

Ms. Gerri Gilchrist was selected Teacher of the Year by her colleagues. She states: We need thinkers, creators, and problem solvers, a society that cannot only understand information, but also devise new ways of using information. Educators must instill a love of learning, and the ability to think independently and creatively.

The participation in service learning has been outstanding. Multiple classes submitted Kids Who Care projects. Service learning projects were also done for the Animal Society and Veterans. The Jump Rope for Heart program at Sangaree, under the leadership of Ms. Tracy Orvin, has won the Top School Award from the American Heart Association as one of the top 20 schools in the state 5 times! We surpassed our goal of \$5,000 this year and raised \$7,037.00! We have raised a total of \$103,619.39 since 1999. Our goal is to have all students take part in a service learning project each year.

Sangaree Elementary School Counseling Program under the leadership of Ginger Hicks and Patricia Hinrichsen became a Recognized ASCA Model Program (RAMP) by the American School Counselor Association in 2013. This RAMP Award recognizes our school's commitment to deliver a comprehensive, data-driven school counseling program and enhancement of an exemplary educational environment aligned with the criteria set forth in the ASCA National Model. Sangaree Elementary is one of the 450 schools receiving this award since the program's inception in 2004. The PTA has held several fund raisers and activities. The PTA provided cultural programs for the students and playground equipment. Volunteers donated over three thousand hours last year.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	86.8
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator for Title I Schools

Sangaree Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in student subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
