Report of Principal and School Improvement Council

Dear Parents/Guardians and Supporters of North Myrtle Beach Primary School,

Nestled in the middle of a wonderful community within the city limits of North Myrtle Beach, just blocks from the Atlantic Ocean and Intracoastal Waterway, North Myrtle Beach Primary is an awesome place where young children start their educational journey. North Myrtle Beach Primary serves students within the city limits of North Myrtle Beach as well as those in the county limits on the other side of the Intracoastal Waterway. The school houses 3 and 4 year olds under Preschoolers with Disabilities, Pre-Kindergarten, Kindergarteners, and First Graders. ☐

☐

Based on solid research, North Myrtle Beach Primary uses a core reading program that concentrates on phonics and is called "Imagine It!" The use of the program has yielded positive results for the students. The program starts in our Child Development four- year old program. Along with our core reading program, the district provides a universal reading screening for all students. From this screening, students who were identified as needing an intensive intervention program participate in a program called "BURST". This program provides constant progress monitoring that is shared with our School Data Team throughout the year. Also based on research, our Everyday Math Curriculum is taught in all grade levels and integrates a spiral approach of the math standards. ☐

☐

North Myrtle Beach Primary has utilized the State Department of Education's Positive Behavior Intervention System for around ten years. The Positive Behavior Intervention System provides a way to increase and recognize good behavior and decrease negative behavior. Our quarterly Celebration Ceremonies are held to recognize students for their positive behavior and academic successes. The combination of positive behavior and academic successes is a winning combination at North Myrtle Beach Primary. ☐

☐

Our PTO continues to supply the extra resources which our school and students need to be the best it can be. The PTO's involvement adds greatly to the success of our students. Our volunteer program brings forth approximately 150 volunteers who give of their time in a variety of capacities. We are so fortunate to have these individuals supporting our school, teachers and students on a daily basis.☐

☐

This year our First Grade students continued taking Yoga one day a week prior to the instructional day beginning. Our students, although young in age, participated in donating canned goods to the local food bank, coat drives, Box Tops for Education, Campbell's Soup Labels, Jump Rope for Heart, Relay for Life, Christmas Angels and a myriad of other worthy causes throughout the year. ☐

☐

North Myrtle Beach Primary and local Businesses in our area partner together to award students for positive behavior along with academic success. We could not do it without them.☐

☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	91.3
Overall Grade Conversion	A

90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
