

# South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

|                        |                                                                                                                                             |                        |                  |

## Profile of the SC Graduate

### World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences\*

### World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

### Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

## WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

*Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...*

Sandy Run K-8 School is helping all students develop the world class skills and life career characteristics of the Profile of the South Carolina Graduate by becoming an epicenter for transforming learning to ensure that our students are well prepared for today's global economy. This continuous transformation is a result of teacher dedication, best practices, and our district's mission: to provide an environment conducive to learning that challenges all students to reach their maximum potential for success in a rapidly changing global society. We demonstrate this vision through project based learning within our classrooms that links content to real world problems, engaging students in problem solving activities, critical thinking, and teamwork. In addition, the implementation of blended learning will certainly allow students to receive instruction anytime and anywhere. As a result of this transformation, our students have accomplished numerous goals both inside and outside the classroom. Our students earned awards at University of South Carolina science fair. Several students were selected for the prestigious South Carolina Governor's School. We are fortunate to have a Duke scholar among our diverse student body. The students traveled to Shaw Air Force Base and Boeing to participate in hands-on authentic learning experiences. The middle school students participate in a college and career readiness program and the Gear-Up program that prepares them for life after high school. Our extremely talented students worked diligently to become members of the Honors Band and competed in statewide band competitions. Our Beta Club selflessly volunteered for Columbia's Humane Society and Harvest Hope Food Bank. Our students participated in a riveting Earth Day program that promoted recycling and environmental awareness. These accomplishments and experiences certainly validate the rigor of classroom instruction, the school to work connection, and the students' understanding of integrity, self-direction, perseverance, work ethic, and interpersonal skills. At Sandy Run K-8 School we understand that the partnership between the school, family, and community is crucial to the success of our students. The sharing of educational responsibility is definitely making a positive impact on our students. Thank you for all of your support and for ensuring that the future South Carolina graduates of Sandy Run K-8 will positively impact the rapidly changing global society. Mr. Stanley Rivers, Chair of the School Improvement Council Mrs. Brenda Goodwin, Principal

\* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

**KNOWLEDGE**

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
