

## North Hartsville Elementary School

110 School Drive  
Hartsville, SC 29550

# South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

<b>Grades:</b>	1-5 Elementary	<b>Principal:</b>	Kristi Austin
<b>Enrollment:</b>	637 students	<b>Superintendent:</b>	Dr. Eddie Ingram
<b>School Phone:</b>	843-857-3200	<b>Board Chair:</b>	Connell Delaine
<b>School Website:</b>	<a href="http://nhe.dcsdschools.org/">http://nhe.dcsdschools.org/</a>		

### Profile of the SC Graduate

#### World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences\*

#### World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

#### Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

### WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

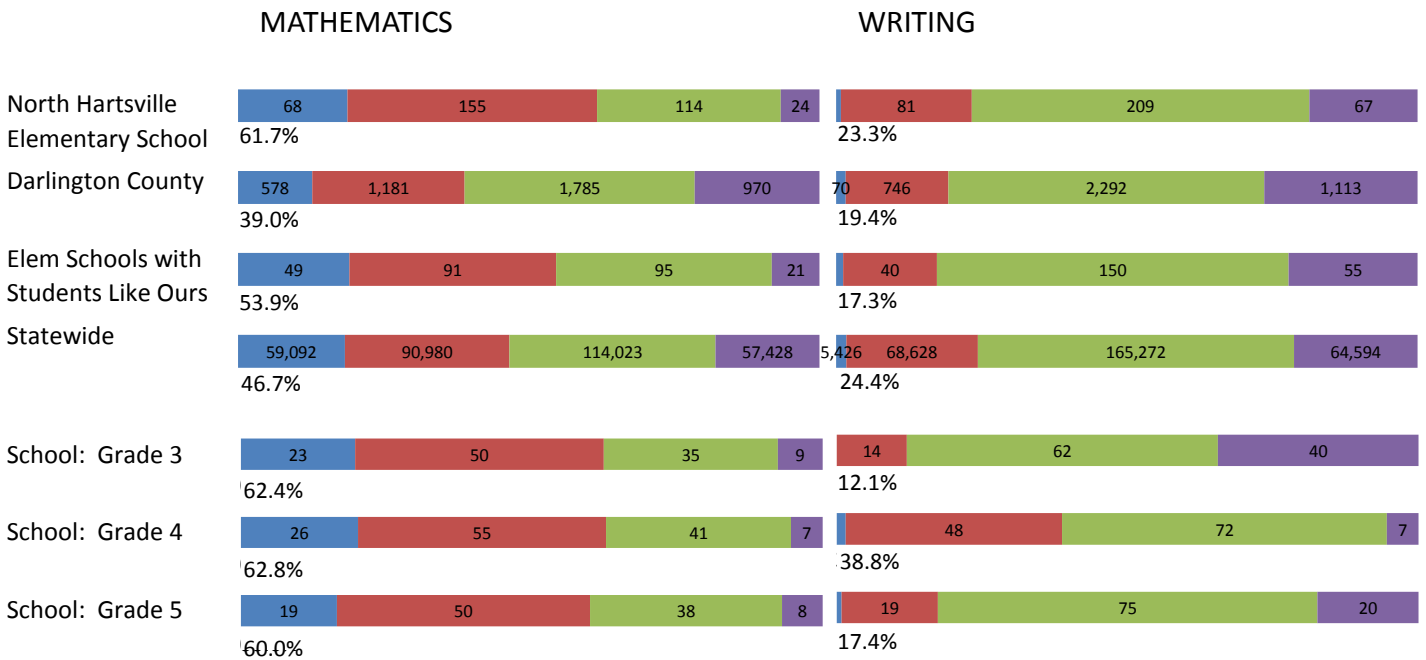

*Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...*

The mission of North Hartsville Elementary is to provide excellence in education and learning for all students in a safe environment. We are known as “The Best School in the Universe” because we believe in high expectations for our students and our faculty and serving students’ needs first. Through our mission and beliefs, our school is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate. The road to becoming a successful high school graduate begins with a solid elementary foundation inside and outside of the classroom. In the classroom, our teachers implement best practices and differentiate instruction for all students. In math, students are grouped into teams to tackle multi-step word problems collaboratively. In ELA, teachers integrate science and social studies and create inquiry-based projects for students to practice research skills. In the area of technology, we participate in the iTEL pilot which put iPads directly into the hands of students. Teachers utilize interactive white boards daily to help facilitate multi-sensory learning through videos, photographs, and music. We are proud of our efforts to create a highly engaging, academic environment and constantly seek professional development opportunities to raise the bar even higher. Outside of the classroom, we have various programs to focus on other areas of development. We highlight a character word each week and encourage students to display traits such as honesty, integrity, responsibility, and respect. Our school counselors continued their anti-bullying program which helped raised awareness and decreased the number of bullying incidents at school. We also continued to use the Positive Behavior Interventions and Support (PBIS) program which rewards students for positive behavior. We continued our partnership with Duke Energy Ambassador Program which provides adult mentors to serve as role models, enhance self-esteem, and encourage the academic success of students in at-risk situations. At North Hartsville Elementary, we believe that education is a collaborative effort among students, parents, educators, and the community at large. We know that a strong educational foundation prepares students to become well-rounded, lifelong learners and contributors to an ever-changing society. Thank you for your support in helping to develop our future South Carolina graduates and world leaders. Barbie Lyles, SIC Chair Kristi Austin, Principal

\* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

**KNOWLEDGE**

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
