State Report Card**

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Our school is helping all students develop the world class skills and life career characteristics of the Profile of the Graduate by fostering Project Based Learning in every classroom, Kindergarten through 5th grade. Through the implementation of Project Based Learning our teachers are cultivating creativity, collaboration, critical thinking and communication throughout the school year with our students. Through the utilization of technology we are able to enhance this skill set on a daily basis. During this school year we continued to grow our community outreach initiative. We held parent informational meetings at the school as well as in our school community. Our goal is to partner with our parents in order to meet the needs of all our students. Throughout the year, we also offer a variety of clubs and activities for students to participate in. These include but are not limited to Spelling Bee, Honors Chorus, Talent Show, Books and Breakfast, Grandparent's Night, After School, and Safety Patrol. We will continue to provide our teachers with professional development in order to further our implementation of Project Based Learning and the utilization of technology. We also continue to grow in the implementation of the reading and writing workshop. Our school fosters the idea that everyone is a lifelong learner. At Springfield Elementary School, we believe it takes all stakeholders working together in order to ensure the success of ALL our students. Mrs. Kim McLaughlin, Chair of the School Improvement Council Mrs. Alyson Perrin, Principal
