South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Lugoff Elementary School (LES) is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing varied and differentiated learning opportunities. These opportunities develop competent, confident, lifelong learners by creating a safe, positive child-centered environment where our school and community work collaboratively to help students reach their potential. This mission is evidenced by our continued legacy of excellence, reflected through our high achievement scores and report card grades. At LES, our motto is "A, B, C – All Because of Children." Our teachers continuously seek and implement interactive and effective strategies to use in the classroom such as: Zoo Phonics, Saxon Phonics, PALs, small group guiding reading, Accelerated Reader and Math, Classworks, Reading Eggs and Study Island. These, along with differentiated instruction and technology-infused lessons, help us meet the needs of all of our learners. LES students participate in activities that develop them academically, socially and emotionally. They are rewarded throughout the year for positive behavior and choices through our Positive Behavior Interventions and Supports (PBIS) program. Students are also leaders in safety patrol, student council, and the Beta Club. The Safe Schools Ambassadors program allows students to have a more active and preventive role in school bullying. Our school counselor develops students of good character through monthly lessons on study/school skills, bullying, drug awareness, personal body safety, friendship skills, and empathy. Also, personal goals are set for students which allow them to be recognized several times a year through the TERRIFIC KIDS program. In order to help promote a global perspective and encourage our students to not only be thinkers, but doers, we encourage participation in several community service learning projects. We have participated in Relay for Life, Jump Rope for Heart, and Pennies for Patients, as well as provided canned food donations to local soup kitchens, much needed supplies to the Walter M. Crowe Animal Shelter, and gently used sneakers to our local United Way. In addition, our LES Singers visit local and surrounding nursing home facilities twice yearly to sing to and spend time with those living there. At LES, we are committed to the continued academic, social and emotional growth of all of our students, not only for today but for the years to come. Dr. Melissa C. Lloyd, Principal Melissa Brown, School Improvement Council Chairperson

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.
