

Hickory Tavern Elementary/Middle School

163 Neely Ferry Road
Gray Court, SC 29645

**South Carolina
State Report Card**

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades: PK-8 Elementary
Enrollment: 722 students
School Phone: 864-575-2126
School Website: <http://www.hitem.org/>

Principal: Mary Ann Crouch
Superintendent: Dr. Billy R. Strickland
Board Chair: Mrs. Susan Calhoun-Ware

- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

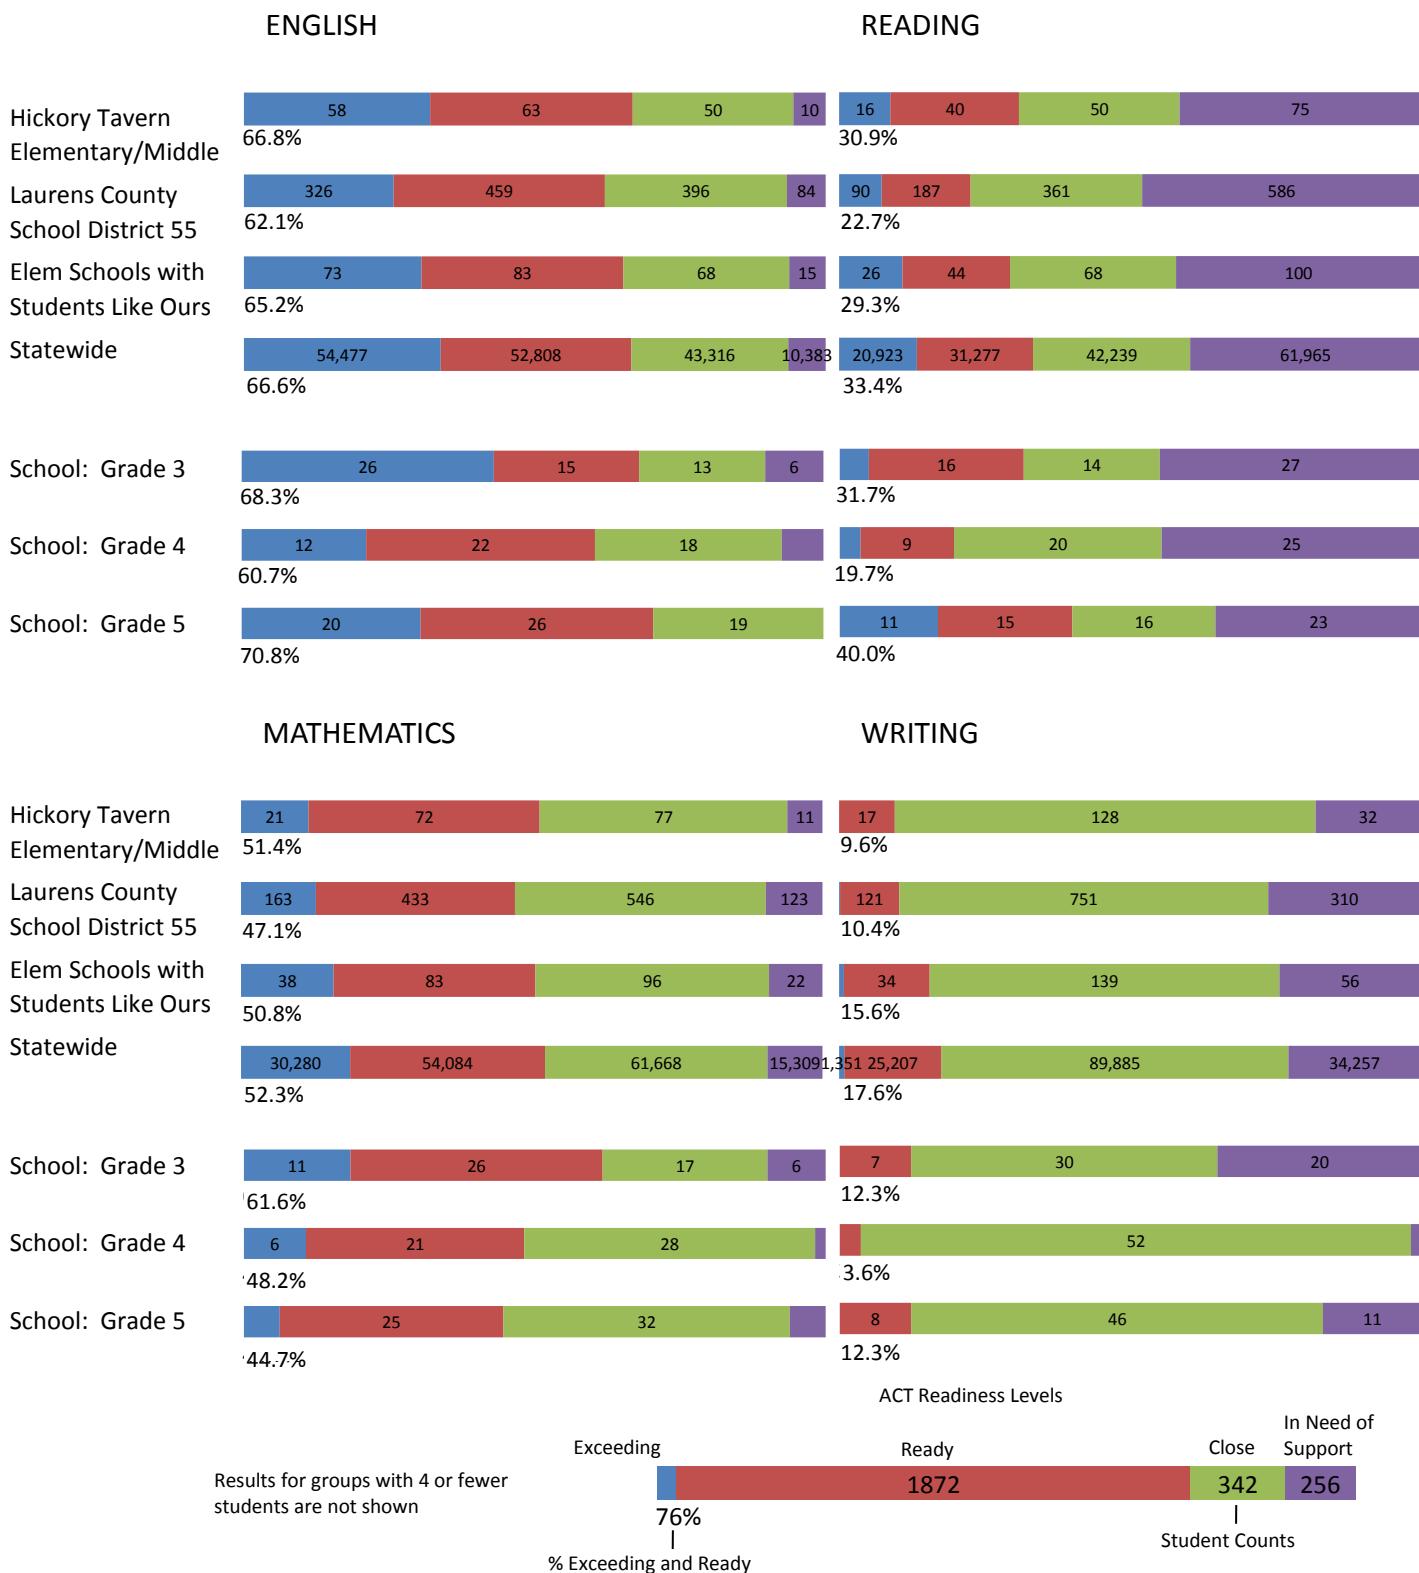

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Hickory Tavern School strives to help all students develop the Profile of a South Carolina Graduate, through the implementation of rigorous standards in Language Arts and Math, as well as using Science, Technology, Engineering, Mathematics (STEM), related arts, and social sciences to prepare our students to gain world class skills to be prepared for the next step in their educational career. All students, teachers, and parents are united in the effort to provide a safe, caring, and academically challenging learning environment for everyone. "Excellence for Each Child Every Day" is the ultimate goal of our school. The School Improvement Council has been implementing on-going projects that include the use of mentors and planning the construction of a sheltered outdoor classroom. The council strives to assist in maintaining a positive learning environment where stakeholders work together to share ownership for learning and producing successful lifelong learners. Our teachers take advantage of Professional Development opportunities to learn new and effective strategies to use in the classroom. We are proud of our strong history of academic success and continue to meet the demands of providing student growth. To meet the increasing technology needs our teachers incorporate the use of iPads, computers, Chromebooks, and Promethean Boards to deliver relevant instruction for our students. Additional educational opportunities are offered to our students through Academic Team, Lego League Robotics Team, GEAR-UP Program, Montessori, Arts experiences, Gifted and Talented Programs, Archery, and Athletics. Our academic, Lego robotic, and archery teams have participated in state championship competitions and have been recognized for their outstanding performance in the recent years. The faculty, staff, and students are involved in many school-wide service learning projects throughout the school year, such as Books for Ghana, Canned Food Drives, and Christmas Projects. These opportunities allow our faculty, staff, and students to demonstrate their love and care for others in our community, as well as use collaboration and teamwork for the benefit of others. At Hickory Tavern School we believe the school, family, and community must share the educational responsibility of our young people. Each school year we will continue to challenge our students and focus on making improvements to ensure student growth. Thank you for all your support in the development of our future South Carolina graduates and world leaders! Rev. Adkins, SIC Chair and Mrs. Crouch, Principal

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
