South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by …

Belton-Honea Path High is preparing students to fully embody the profile of the South Carolina graduate. Our students consistently demonstrate world class knowledge through our expanded foreign language offerings as well as our expanded AP and dual enrollment opportunities. Our students are developing world class skills through new opportunities in career and technical education here at BHP and through our partnership with the Anderson Districts 1 and 2 Career and Technology Center. Equally importantly, students are developing positive life and career characteristics through an extensive service learning curriculum, a teacher cadet program, and job shadowing opportunities. School Class of 2015 consisted of 244 graduates with 93 graduates recognized for being inducted into the National Honor Society, Beta Club, The Career and Technical Honor Society, or Tri-M. Graduating seniors qualified for 174 Life Scholarships and 10 Palmetto Fellows Scholarships. The total scholarship dollars earned by the Class of 2015 was approximately $5.8 million dollars. The staff at BHP believes that we must provide effective teaching strategies and a strong curriculum to prepare our students for college and the world of work. We are proud of how our students preformed on their End-of-Course (EOC) tests as well as their success on tests like the ACT and SAT. Another area of focus is our struggling readers. We continue the Xtreme Reading and Strategic ELA classes with great success. Improving student success is in the forefront of all that we do at BHP. We will continue to work on maintaining a learning environment where all students can be successful. BHP students excelled in Art, Band, Chorus, FFA, Air Force, and JROTC during the 2014-2015 school year. The Band, Chorus, and JROTC competed numerous times throughout the school year and received Superior ratings. The FFA chapter competed and placed in several state competitions. Our athletic teams continue a strong tradition of excellence with the Baseball team securing the 3A State baseball championship. Our school continues to receive support from our community. Parents, businesses, and the WebbCraft Foundation give tremendous support to our instructional and athletic programs. With the help of our community, our Renaissance Program provided over $22,000 in scholarship monies during its annual Evening of Excellence. Lester McCall, Principal Earl Ashley, SIC Chairperson

KNOWLEDGE

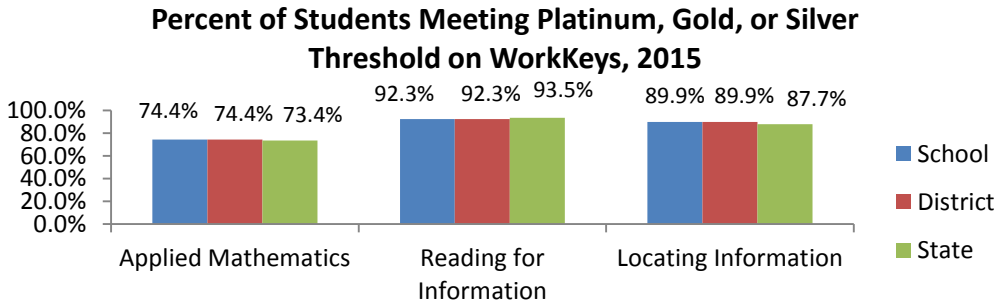

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	**Math** Benchmark Score: 22	**Reading** Benchmark Score: 22	**Science** Benchmark Score: 23	All 4 Subjects
39.5	20.6	21.8	16.9	8.5

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.

The ACT is a registered trademark of ACT, Inc.
