WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

The Military Magnet Academy, accredited by the Southern Association of Colleges and Schools, is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by preparing students to become competent, disciplined, and responsible citizens by providing the necessary learning environment of a caring school where all cadets are challenged to learn every day.

The Military Magnet Academy is committed to student academics, extracurricular activities, and parent and community involvement. The academic program develops the "whole person" by providing a foundation for success in today's world of high technology.

At the Military Magnet Academy, a school-wide remediation and enrichment program is implemented to target all students. Students with the highest needs receive computer-assisted tutoring using Voyager, Academy of Reading/Math, and Study Island software. As a school we will focus on BRIDGE Grant initiatives, 21st Century skills, fostering a nurturing, safe environment for children, use of data to inform instruction, consistent implementation of instructional strategies to increase students' achievement, and providing exciting and challenging enrichment opportunities for all students to include Dual High School and College Credit in English, Psychology, and Biology, and Advanced Placement Credit in Human Geography and Calculus BC.

Our dedicated faculty and staff have spent many hours participating in professional development, learning about and sharing instructional best practices, differentiating instruction, using cooperative learning with single-gender and heterogeneous grouping in the classrooms to develop cooperative learning experiences and to enhance student achievement. Areas of focus have been technology implementation, differentiated instruction, curricula and standards implementation. Quality initiatives for teacher training are supported as teachers are encouraged to attend workshops and conferences.

At Military Magnet Academy we believe the school, family, and community must share the educational responsibility of our cadets. Thank you for all of your support in helping in the development of our future South Carolina graduates and world leaders!

Mr. Anderson Townsend, Principal
Ms. Karen Cobb, SIC Chair
