South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by …

The staff at Creek Bridge Middle-High School helps all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by striving to offer our students an unparalleled educational experience through innovative and engaging instructional practices, data-driven student interventions, and access to state-of-the-art technology. All students in grades 6-12 have access to personal laptops, and our campus houses three computer labs and mobile laptop carts, with interactive Promethean Boards in every classroom. Students also have access to iPods, iPads, flipcams, Kindle Readers, digital cameras, and other audio and video equipment necessary to produce quality work. CBMHS hosts a Career Café through a partnership with the Pee Dee Workforce Investment Board, Regional Education Center, Florence-Darlington Technical College, and Francis Marion University. We also outfitted a Literacy Lab this year, where students benefit from a targeted curriculum of reading intervention through the READ 180 and System 44 programs. Creek Bridge Middle-High School is proud to be a PBIS school. Within our PBIS matrix of TRIBE, we teach and model for our students how they can show demonstrate having a positive attitude during struggles (tenacity), respect, independent readiness (respect/responsibility), demonstration of teamwork(inclusive attitude), setting personal goals (best foot forward), and taking an active role in their education (engaged). Our school has established many ways to recognize our students for demonstrating "Tribe-like" characteristics by recognizing students daily with "Warrior Shout Outs" via the school's public address system, school newsletter recognition, semester awards programs, guest speakers, Warrior Bucks, and many other celebrations. Additionally, our middle school has adopted the single-gender educational model, and students are required to wear school-approved uniforms. The middle school has also been selected to participate in the Schools to Watch pilot program, a national award program that recognizes exceptional middle schools. Finally, through service learning projects; athletics; student organizations and clubs; and participation in school, regional, state, and national competitions, our students are excelling and demonstrating “The Creek Bridge Way.” Darryl L. Woodberry, Principal Johnny B. Graves, SIC Chairman

KNOWLEDGE

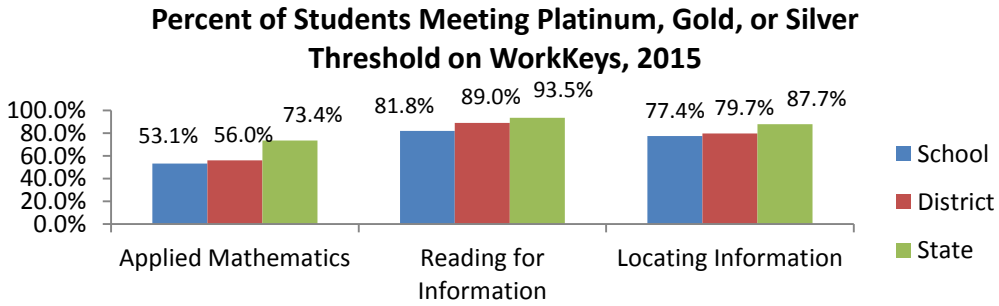

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	**Math** Benchmark Score: 22	**Reading** Benchmark Score: 22	**Science** Benchmark Score: 23	All 4 Subjects
15.4	0	0	0	0

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.

The ACT is a registered trademark of ACT, Inc.
