WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by …

Baptist Hill Middle/High School is helping all students develop the world class skills and life and career characteristics of the Profile of the SC Graduate by providing a safe, caring, and academically challenging learning environment. We achieve this goal by implementing our school mission: by engaging in high quality education, we empower all students to achieve their maximum potential and become contributing and responsible lifelong learners.

We earned the Palmetto Gold Award for academic progress. Our ACT scores increased significantly, so that we had the highest gains in the county. Our academic support programs during and after school, such as Advisement and the After School Academy, have contributed to our success. In addition, our Failure is Not an Option (FINAO) Incentive Program rewards students for grades and conduct.

Our team has fostered a data rich environment. We use the philosophy of high school response to intervention to universally screen all of our 7th, 8th and 9th grade students and place them in math and/or reading interventions as appropriate. For our higher level students, we offer high school credit in grade 8 in English I and Algebra I as well as a gifted and talented program. Our high school offers honors sections in all core classes.

Our comprehensive curriculum gives our students the most important gift an institution of higher learning can provide—the tools for opportunity and choice in their post-graduate lives. We offer a rigorous curriculum of core classes complemented by opportunities in the arts, technology, and career-oriented classes. We increased our post-graduate academy by adding more AP classes, pre-engineering and strings for middle school students, art, and dance. We also offer our students dual credit through our partner Trident Technical College, St. Paul's Campus.

We increased our community partnerships with colleges locally and around the state, offered parent engagement sessions (Bobcat Breakfast and Dinner, Parents' Night Out, Parents' Morning), and hosted a Career Expo with over 30 presenters and businesses, including Boeing, Pegasus Steel, Verizon Wireless, Charleston Riverdogs, Key Logistics, Salon 331, St. Paul's Fire Department, Charleston County Transportation, and Charleston County School District Operations Department.

We are proud of our tradition of serving our sea island communities since 1948, and we are looking forward to serving students and the community for years to come. At Baptist Hill, we believe in "Success by choice…Not by chance!"

Mary Porter, SIC Chair
