South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by …

Lincoln Middle-High School is helping all students develop the world class skills and life and career characteristics of the Profile of the SC Graduate by providing a safe, caring, academically challenging learning environment. We provide such an environment through the implementation of our school vision: "We envision LMHS as being an example of notable excellence in achievement." We demonstrate this vision by challenging our students with best practices to reach their full potential and by the continuous professional development of our teachers.

Our teachers are always seeking to learn new and effective strategies to use in the classroom such as: Small group guided reading, science kits, silent sustained reading (SSR), Accelerated Reader, Reading Interventionist, Essentials of English MAP Guide, STEM Live, Language Live and Math Career Fairs. We are proud of our strong history of academic success.

At Lincoln we also have various programs outside the academic world to focus on the development of the whole student. We have partnered with Communities in Schools to surround students with an array of support that empowers them to embrace success in life. These services include academic assistance through teaching basic skills, study skills, and providing tutors and mentors with strong communication and collaboration among teachers, parents and students, college application assistance, scholarship assistance, SAT/ACT preparation and career fair. We also have collaborative partnerships with local, established businesses who offer job shadowing to our students, including Boeing, AT&T, East Cooper Community Outreach, The Citadel, College of Charleston, and local churches in McClellanville. Lincoln also partners with St. Andrews Episcopal Church to provide food over the weekend to many needy students. This year we continue to use the Positive Behavior Interventions and Support (PBIS) program. This program rewards our students for displaying positive behaviors. We celebrate these behaviors by providing jacket bucks which can be redeemed in the school store. Finally, we continued to offer the universal breakfast program, which ensures all students have a healthy breakfast and are ready to begin their day.

At Lincoln, we believe the school, family, and community must share the educational responsibility of our young. Thank you for all of your support in helping in the development of our future South Carolina graduates and world leaders!

Dr. Yvonne Commodore, Principal
Ms. Susan Floyd, SIC Chair
