South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Darlington Middle School (DMS) serves 1,030 students in grades sixth through eighth located in the county of Darlington, South Carolina. The DMS staff enthusiastically looks forward to the 2015-16 school year. The DMS team will begin pushing a new theme for the upcoming school year which will be Bridging the gap with CAP. CAP stands for Commitment, Attitude, and Pride which are characteristics that are believed to be pertinent for success in high school as well as life. Our vision is to nurture, motivate, inspire, and educate the whole child at high levels. We want to be a middle school that everyone in the nation wants to attend. Darlington Middle School will continue to implement various strategies to address the needs of our students. All of our students are assigned an advisor through homeroom classes. Students will report there at least once a month to establish strong relationships to help build confidence. There are computer-assisted instructional classes scheduled for our under performing students. These students will be using a program called Fast ForWord. This program starts with cognitive skills like memory, attention, and processing speed and works from the bottom up, using the principles of neuroplasticity. Fast ForWord aims to remediate the underlying difficulties that keep struggling readers and English language learners from making progress. In addition, parent workshops will continue to be offered multiple times during the school year to address various areas of concerns (Math, Reading, Cyber-bullying) received from parents. DMS will also host events such as the DMS Fall and Spring Festivals used for outreach to the parents and community. It is extremely important to the DMS administration that we provide on-going professional development for our teachers. Within the master schedule, we have allowed for collaborative planning per core area as well as per grade level. DMS has three full-time Coordinating Teachers for ELA/Social Studies, Math/Science, and Technology. They are responsible for facilitating these meetings. They are also responsible for observations and providing constructive feedback. We have and wish to continue seeing good results. DMS is a data driven school in which we are constantly looking at the data to improve in all facets. The data results from ACT Aspire and PASS this year will be extremely valuable and will be a determining to guide to our course of action for the 2015-2016 school year. As we move forward, the faculty and staff of Darlington Middle School will continue to work in partnership with students, parents, and the community to develop life-long learners who become successful, responsible, and productive citizens. As stated in our vision our main purpose is to assure that we are nurturing, motivating, inspiring, and educating our students at extraordinary levels. Eddie L. Shuler, Principal, Brendolyn Hamilton, School Improvement Council
