# South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

### WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

*Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...*

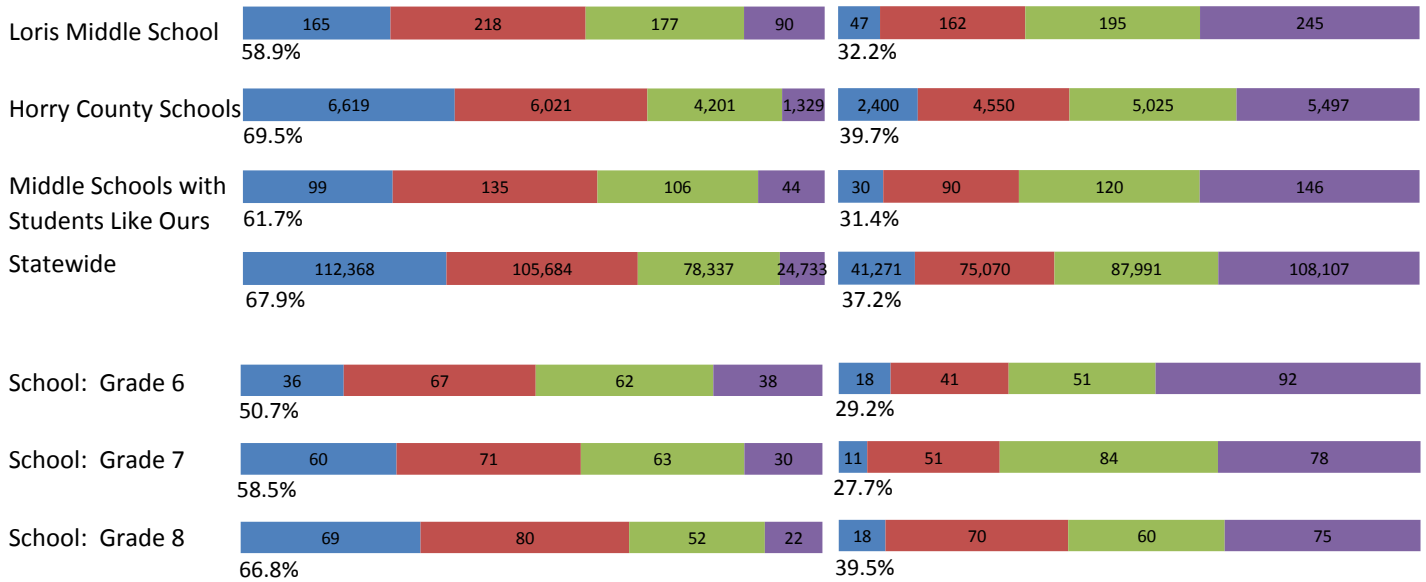

Our school is helping all students develop the world-class skills and life and career characteristics of the Profile of the Graduate by providing a safe, nurturing, and academically challenging learning environment. Our school-wide theme "Dream...It's Possible" encourages our students to pursue opportunities that will lead to success. Loris Middle School students are challenged daily in the four core classes, which are based on rigorous standards that promote world-class knowledge. Additionally, students are provided with an iPad to personalize learning and better meet each student's academic needs. As evidence of our success, 100% of the students enrolled in English I and Algebra I passed the end of course tests, thirteen students were named SC Junior Scholars, and two students were named Duke TIP Scholars. Our Fine Arts Department excelled at district, regional, and state competitions with more students being named to All-County performance groups than any other HCS middle school. Additionally, we had seven students named to All-Region Band. Our band program received the SCBDA Outstanding Performance Award, our robotics team received 2nd Place in Robot Design at the regional competition, three students competed at the SC National History Day, and four teams of students won awards at the HCS Technology Fair. Through activities such as these, students are allowed to develop world-class skills such as creativity, critical thinking, collaboration, and communication. Our staff members continued to grow professionally by participating in professional development that aligned instruction with technology integration and completing graduate course work. Mrs. Ebony Bethea-Livingston was selected as Teacher of the Year and was named to the Top 5 for the Horry County Schools Teacher of the Year. Mrs. April Troglauer received the Newberry College Outstanding Young Alumni Award, and Ms. Robin Long was named the Support Staff Member of the Year. Our students and staff further developed life and career characteristics by participating in service learning projects such as food drives and making donations to charities such as March of Dimes, American Cancer Society, and Multiple Sclerosis Society. Our staff, PTO, School Improvement Council, community, and administration remain dedicated to our goal of achieving excellence for each student. Ann Hall, Principal James Edwards, School Improvement Council Chairman
