

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

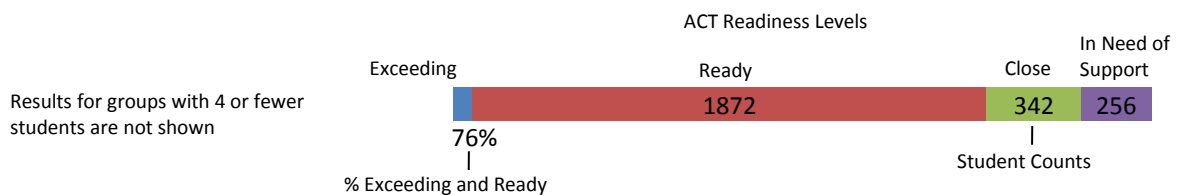

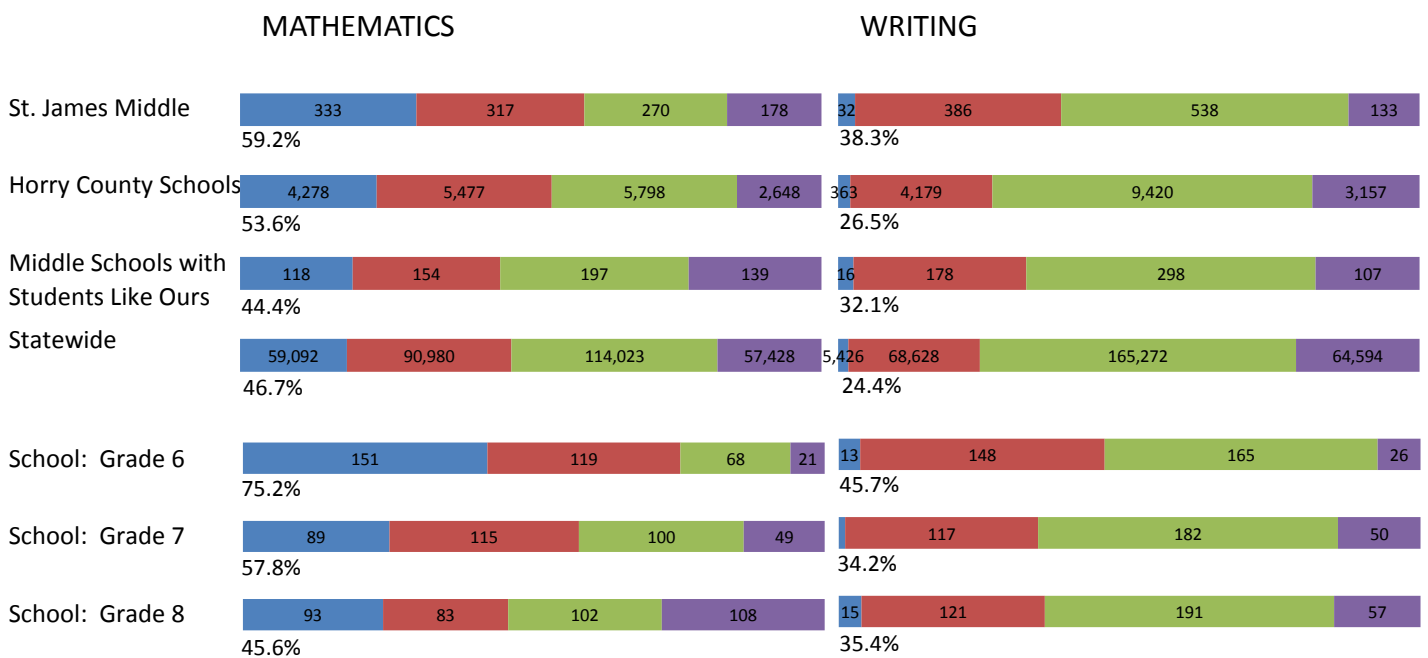

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Our school is helping all students develop the world class skills and life/career characteristics of the Profile of the Graduate by continuing with our “One Team... One Dream!” school-wide theme. We are pleased to inform our parents/community of an exceptional school year filled with achievements and accomplishments. Our school was named a National Forum and South Carolina “Schools to Watch” member and recognized by Making Middle Grades Work program as one of six schools in the southeast region to be on the cutting edge with high performing instructional strategies, interventions, and technology. We received “Excellent” on the absolute rating (Gold), and “Excellent” on the closing the gap rating (Silver) on our state report card. All students were provided an iPad. Three students qualified for NHD State competition, one student advanced to Nationals. Other awards included: 47 South Carolina Junior Scholars, 5 Duke Tip Scholars, 6 All County orchestra members, 12 CCU Honor Band members, and 10 All County Chorus members. One student won the district Soil and Water Essay contest. The Spelling and Geography Bee winners competed at regionals. The Multi-Cultural committee held its annual “Taste of St. James” dinner, Math-a-thon raised \$4,143 for St. Jude’s Research Hospital, \$9000 was raised for Special Olympics, and we participated in the cancer research program “Relay for Life”. Student Council sponsored a Community Red Cross Blood Drive, Coats for Kids, pet food drive, a scholarship fund raising event, and other community projects. Our PTSSO and School Improvement Council provided incentives for students/staff. Our Teacher of the Year applied for and was awarded a \$5000 Lowes Home Improvement landscape grant. Students continue to experience a daily 40 minute reading comprehension program and adjusted instructional strategies. Our administrative team follows up with teachers in collaborative team, departmental and staff meetings. Student enrichment programs include: Math All Stars, Math Olympiads, Life Skills, Math Counts, Mock Trial and reading programs. Our local International Rotary Club rewards students quarterly. Over 85 local businesses participated in career development opportunities, Career Day, Business Shadow Day and Partners in Education. We are truly blessed to work in a great county with a wonderful Advisory Board, District Office, and Board of Education, who enable us to reach our goals and aspirations. Mrs. Sue Nadeau, School Improvement Council Chairperson Dr. D. Dwight Boykin, Principal

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.
