The mission of North Middle-High School is to ensure academic success for all students. Based on its exemplary student academic performance, North Middle-High School continues to be recognized as a school of excellence. In the spring, North Middle-High School was recognized as one of the US Newsweek America's Best High Schools as well as being accredited through AdvancEd. The ongoing commitment of faculty, staff, community, and students contribute greatly to the success of the school. The Class of 2015 consisted of 42 graduates with 12 being honor graduates The Class of 2015 accumulated an estimated 2 million dollars in scholarships. In the Fall, these students will attend various colleges and some will serve in the Armed Forces. North Middle-High School believes that a smaller learning environment helps to improve academic achievement by enabling students to work closely with the same team of teachers, learn the school, and become involved in student activities. Best practice teaching strategies enhance the academic success of all students. In addition to core academic courses that prepare students for college, the workforce, and/or the military, elective course offerings help to prepare students for state and college entrance assessments, as well as, expose them to the arts and life skills. Ms. Tracy Haigler was selected as the Teacher of the Year for the 2014-2015 school year. Our School Improvement Council has been a valuable commodity. The Council has taken on various projects such as purchasing books for the media center, renovating the scenery in the front of the school, and being a constant presence in the school. We are excited about the 2015-2016 school year! Charles P. Gregory, Principal Bobby Gordon, SIC Chairman
