Office of Assessment and Standards Listserv Communication

Purpose

The purpose of the Office of Assessment and Standards Listserv Communication document is to serve as a centralized and organized repository for all official listserv communications disseminated by the Office throughout the academic year. This document aims to:

- **Ensure consistent and transparent communication with stakeholders.**
- **Provide timely updates, guidance, and resources related to assessment and standards.**
- **Maintain an accessible historical record of all listserv messages for reference, accountability, and continuity.**
- **Support informed decision-making and collaboration across departments by preserving institutional knowledge.**

By consolidating communications in a single, structured format, this document enhances clarity, promotes engagement, and reinforces the Office's commitment to excellence in educational assessment and standards.

11/13/26	DTC	**Including Audio Aids as Universal Supports** After careful consideration the Office of Assessment and Standards (OAS) is amending the list of Universal Supports shown on page 44 in the Fall/Winter EOCEP Online Test Administration Manual (TAM). OAS is adding Audio Aids as a Universal Support. Please see the following guidance: **Audio Aids –** A tool that students can use to amplify or diminish ambient sound. ○ Cochlear implants, including those that are connected to Bluetooth. ○ Amplification devices typically used during instruction. ○ Analog Noise buffers with no electronic capability (e.g., analog ear covers, earbuds, or ear plugs) to minimize distraction or filter external noise during testing. For questions, please contact Kirsten Hural, KHural@ed.sc.gov.
11/12/26	DTC	As mentioned in a previous Listserv message, Classic Learning Test (CLT) recently hosted a webinar for DTCs on their assessment program. A recording can be found here, and the corresponding slides are attached. Please reach out to Wes Gentry with CLT (wgentry@cltexam.com) if you have any questions regarding the webinar.

10/19/26	DTC	**Action Required: Confirm 2026 KRA ISR Mailing Addresses by Oct. 26, 2026** Each year, we ask districts to reconfirm the mailing location(s) for paper Individual Student Reports (ISRs), which will be shipped after the close of the administration window. When completing the form, districts may choose to have: • **All ISRs shipped to the district office, or** • **ISRs shipped directly to individual schools.** If your district chooses to have ISRs shipped directly to schools, please download the **spreadsheet template** linked in the form, complete it with the appropriate STC/contact information for each school, and upload the completed spreadsheet to the form. Please note that districts that do not complete the form will automatically have all ISRs shipped to the district office. Please complete the **Office of Assessment and Standards: KRA ISR Mailing Addresses - 2026** form by **close of business on Monday, October 26**. For questions, please contact Meghan Walters-Branham at **mgwalters@ed.sc.gov**. Thank you for your assistance.

10/9/26	DTC	**South Carolina Career Readiness Assessment (WIN) Message** Please see the information below regarding WIN Career Readiness testing for the 2026-27 school year. This update has also been shared through the WIN newsletter and will continue to be included in the newsletter every two weeks. *The South Carolina Department of Education (SCDE) and WIN Learning are pleased to announce that the same legacy test form used in the most recent SC Career Readiness Test administration will also be used for the Fall 2026 and Spring 2027 administrations.* *This approach is intended to support consistency across testing cycles and help ensure results can be compared reliably from one administration to the next. As a result,* ***scores will not change*** *because the assessments and scale are not changing during this school year.* If you have questions regarding Career Readiness testing, please contact David Trombly (dctrombly@ed.sc.gov), Program Manager for College and Career Readiness Assessments.

10/8/26	DTC	**Updated College Entrance Exam Parent Form** As noted in the September 22nd SCDE memo, the **Classic Learning Test (CLT)** has been added to the list of approved college entrance exams available to South Carolina students. The decision regarding which assessment to take must be made at the student level. Eleventh-grade students may choose to take the **SAT, ACT, or CLT** during the school day, or they may choose not to participate in a college entrance exam administration. One exam offering is provided at no cost to parents. Districts should send a letter and accompanying form to the parent or guardian of each eleventh-grade student informing them of these options. The form should allow parents/guardians to indicate whether the student will take the SAT, ACT, CLT, or decline participation. The SCDE has updated its **sample form** to include the CLT. Districts may use the sample form or develop their own. Completed forms must be retained by the district for two years in the event of an audit. To learn more about college entrance exams, including the dates for ACT, SAT, and CLT administrations for the 2026-27 school year, please access the College Entrance Exam page of the SCDE website. Please reach out to David Trombly (**dctrombly@ed.sc.gov**) if you have any additional questions regarding college entrance exams.

10/7/26	DTC	**USHC Course Codes** For special education students not enrolled in a traditional credit bearing course, the South Carolina Department of Education is raising awareness around the Rostering code 4858 for U.S. History and the Constitution. The course name is "U.S. History and the Constitution Rostering Code Only" and the Course Code is 4858. This code is for students not enrolled in a traditional credit-bearing course; it has the same structure as standard codes. When using this code, the 7th and 8th characters of the full SIS-code (academic tag and unit tag) MUST be coded with two zeros. For Questions about: • **Special Education**, please contact Peter Keup, pekeup@ed.sc.gov • **Rostering**, please contact District & Technology Services, edfiassessments@ed.sc.gov • **Accountability**, please contact Vann Holden, cvholden@ed.sc.gov and Era Roberts, earoberts@ed.sc.gov **EOCEP USHC Assessment**, please contact Kirsten Hural, KHural@ed.sc.gov
9/30/26	DTC	**DRC BEACON Update** Due to district request, the 2026-27 BEACON testing schedule has been adjusted to allow for an earlier **opening** of the assessment window for future school years. To support an earlier 2027-28 BEACON opening date of **July 26, 2027**, the 2026-27 BEACON test window will close slightly earlier than previously anticipated, on **June 18, 2027**. Please note the following: • The 2026-27 test window will close on June 18 for all assessments, including the grade 3 reading testlet. For districts that administer BEACON after grade 3 summer reading camp, please plan to administer those assessments on or before June 18, 2027. • If you are unable to administer the BEACON Reading testlet by June 18, you may instead use the SC READY Summer Grade 3 Reading Assessment to meet your assessment needs. Thank you for your flexibility as we make these adjustments in response to district feedback. If you have questions please contact Crystal Huckabee, clhuckabee@ed.sc.gov.

9/23/26	DTC	**New Resource Available: WIDA ACCESS 2026-27 South Carolina Administration Guidance and FAQ** The South Carolina Department of Education is pleased to announce the release of the WIDA ACCESS 2026-27 South Carolina Administration Guidance and FAQ document, which is linked above and attached to this message. This resource serves as the primary state guidance document for the upcoming WIDA ACCESS administration and replaces previous WIDA ACCESS policy and guidance documents. It includes important reminders, updated procedures, key testing dates, and new policies that districts and schools should review in preparation for the 2026-27 administration. Highlights include: • New requirement for school-level testing schedule submissions • Updated guidance for individual administrations • Revised scratch paper procedures for the Speaking domain • Information about WIDA AMS audio streaming for paper administrations • LT4D submission procedures and deadlines • Testing window extension guidance • Updated test security expectations and screener violation reporting procedures • Professional learning opportunities and office hour schedules As there are several policy updates from the previous administration, districts are encouraged to review the document carefully and share it with all staff involved in WIDA ACCESS coordination and administration. As a reminder, this document supplements but does **not** replace required WIDA training, certification, or test security requirements. For questions, please contact Meghan Walters-Branham (mgwalters@ed.sc.gov).

9/22/26	DTC	**Third Grade Good Cause Exemption Survey** The South Carolina Department of Education is conducting a survey to determine which assessment districts plan to use for third-grade Good Cause Exemption decisions under Act 114 at the conclusion of Summer Reading Camp in 2026-27. This information will support statewide planning and implementation. Please use this **Google Survey** to indicate your choice. Because each assessment option has different fiscal and operational implications, districts are encouraged to carefully consider their selection before responding. The assessment identified in this survey should represent the district's planned assessment for Summer Reading Camp implementation. **Please respond by October 23, 2026** If you have any questions regarding the survey, please reach out to Dr. Alisha Green (akgreen@ed.sc.gov), Director of the Office of Instructional Supports.

9/18/26	DTC	**September 2026 DTC Monthly Office Hours Slides & Questions** The slides from the September 20206 DTC Monthly Office Hours are attached for your review. Additionally, a summary of questions and answers shared in the chat is provided below. **Q:** Will DRC's site only allow the no calculator section first, followed by calculator? **A:** At this time, there's been no update to the testing engine for DRC. Districts are responsible for ensuring that the math test is administered in the correct order. **Q:** Is the universal test security affidavit only for SC Ready, or are we moving in that direction for all assessments? **A:** The universal affidavit only applies to SC READY and EOCEP. **Q:** Who did the information for the SC Alt Technology Webinar get sent to? **A:** The email should have been send to your district technology coordinator. **Q:** Will test security agreements be added back into the TAMs? **A:** SCDE removed all appendices from the TAM and the necessary information was either moved elsewhere in the TAM or, if they were reproducible materials, they've been placed on the Portal. **Q:** Regarding training students - we have integrated many procedures and targeted training slides. You mentioned other districts had some great things going. Does anyone have a video? **A:** As a team, SCDE will reach out to districts who may be willing to share examples of videos they have created. We may also be able to include these resources as an upcoming DTC to DTC segment of our Office Hours. Stay tuned!

9/3/26	DTC	The SCDE is currently reviewing plans to incorporate Quantile results into updated Spring 2026 SC READY district data files and electronic Individual Student Reports (ISRs). Because this review is still in progress, the posting of any updated district data files and electronic ISRs that would include Quantile results has been placed on hold. At this time, no action is required from districts. The reports and data files currently available remain unchanged. We recognize that districts were previously informed that updated files containing Quantile results were anticipated to be available in mid-September, and we appreciate your patience as this review continues. Additional information, including next steps and any revised timelines, will be communicated as soon as it becomes available. Please reach out to Daniel Cammisa (dcammisa@ed.sc.gov), Team Lead for Test Development and Administration, with any questions.
9/1/26	DTC	The 2026-27 District Testing Coordinator (DTC) Monthly Office Hours will launch in September. These Office Hours serve as an opportunity to provide relevant updates and ongoing support for DTCs throughout the school year. Topics will vary by month and will be shared ahead of each month's session through the Test Administration Listserv. Each Office Hours will be held virtually and will be recorded. 7/28/26	DTC	**4K/5K Readiness Assessments Test Security Training Video** As part of ongoing efforts to support test security across state assessment programs, please review the pre-recorded 4K/5K Readiness Assessments Test Security Training. This recording can be used to support the training of all staff involved in administering the Kindergarten Readiness Assessment (KRA), myIGDIs, and/or Teaching Strategies GOLD. The video may be referenced throughout the school year to reinforce test security expectations and support the onboarding of new staff. Please note that viewing this recording does not replace district-level training or the reinforcement of district-specific test security policies and procedures. Rather, it should be used as a supplemental training resource. If you have questions regarding the 4K/5K Readiness Assessments, please contact Meghan Walters-Branham at mgwalters@ed.sc.gov. Thank you for your commitment to maintaining the integrity and security of our readiness assessments.

6/29/26	DTC	**SC READY Assessment Structure for 2026-2027 School Year** The Office of Assessment and Standards is pleased to share with you the assessment structure for SC READY to assist with planning your testing schedules for the upcoming 2026-2027 school year. Your input is greatly appreciated and plays an important role in improving future administrations. **English Language Arts (ELA)** **Grades 3-5** • **Three-day administration - Part A & Part B must be administered during the same school week (Monday - Friday). 5/29/26	DTC	Please review the details below and complete the linked form to indicate your district's preference for bulk rostering by June 5th. Not submitting the form is the same as electing to not have any files provided. **TS GOLD Bulk Rostering** School districts will be responsible for completing bulk rostering within the SmartTeach dashboard. The South Carolina Department of Education (SCDE) will provide necessary files through ADTS. Two data pull options are available. Each district must select **one option only**. Any data not included in the provided files must be updated by the district. Training and support for completing rostering will be available during **the GOLD Monthly Office Hour** on **July 9, from 3:00–4:00 PM**. Please select one of the following options: • **Option 1: Publish data by July 16 → Files available in ADTS after July 22** • **Option 2: Publish data by July 30 → Files available in ADTS after August 5** **KRA Bulk Rostering** SCDE and KRA continue to work toward full Ed-Fi integration, with additional updates to be shared during the **Data Manager Training on June 16.** If the integration is not ready for Fall 2026 and your district prefers to receive files through ADTS (as in previous years), the following data pull options are available. Each district must select one option only, and any missing data must be updated at the district level. Please select one of the following options: • **Option 1: Publish data by July 7 → Files available in ADTS after July 14** • **Option 2: Publish data by July 21 → Files available in ADTS after July 28** If you have questions, contact Meghan Walters-Branham at **mgwalters@ed.sc.gov**.

4/15/26	DTC	As the SC READY testing window approaches, please remind school test coordinators to schedule time for students to complete the Online Tools Training (OTT) before testing begins. The OTT is a low-pressure, exploratory opportunity for students to practice using the testing platform, helping reduce barriers and support a smoother, more secure administration. It does not expose students to secure test content and may be used multiple times. Using the OTT allows students to: • Become familiar with the testing interface, navigation, and item types; • Practice using embedded tools (e.g., highlighting, cross-off tool, keypad entry, and calculators); and • Reduce anxiety by knowing what to expect, allowing them to focus on demonstrating what they know. Thank you for your continued leadership and for supporting schools in preparing students for a successful testing experience. **Questions:** Please contact Crystal Huckabee at clhuckabee@ed.sc.gov.

11/10/25	DTC	WIDA ACCESS Pre-test webinar will take place on **Monday, December 1, 2025; 11 am-12 pm** via Microsoft Teams. The webinar will focus on preparing for the upcoming administration of WIDA ACCESS, WIDA Alternate ACCESS, and WIDA ACCESS Kindergarten. It is an opportunity to ask questions, receive information/updates, and request specific support and guidance. The webinar will be recorded, and an FAQ document will be shared via the Test Admin Listserv the following week. To help us prepare for the session, we invite DTCs and ML coordinators to submit questions in advance: Pre-Assessment Formstack **Please complete the form no later than Tuesday, November 18th, 2025.** This webinar is **not** a replacement for any training specific to administering the assessment(s) available in the WIDA secure portal, and attendance at this session is voluntary. For questions, please contact Meghan Walters-Branham at mgwalters@ed.sc.gov

10/17/25	DTC	The October 16th DRC Weekly Update included updated guidance on the use of permissive mode. "Use of permissive mode for online testing no longer requires SCDE approval. For more information about Permissive Mode, refer to the document posted to the Portal titled, "Tech Bulletin_Permissive Mode_Final." Permissive Mode is now an accessible feature for districts to use independently. This accommodation should be recorded as "Dictation of Responses" or "Nonverbal Indication of Selected Response" depending on the intended use of Permissive Mode. Schools should follow the procedures as outlined in the Test Administration Manual for the accommodation selected. The update to Permissive Mode will be discussed in the Test Administration office hours on October 21st. If you have any questions, please contact Dann Publicover at dfpublicover@ed.sc.gov.
10/7/25	DTC	Each year, we ask that your district reconfirm the location(s) where the paper ISRs will be sent after the close of the administration window. If your district chooses to have the ISRs sent directly to schools, there is a section to upload a spreadsheet with the STC/contact information for the schools. Please complete this form: Office of Assessment and Standards: KRA ISR Mailing addresses -2025 - Intellistack by the close of business on **Tuesday, October 21**. Thank you for your assistance. For questions, please contact Meghan Walters-Branham at mgwalters@ed.sc.gov.
